Principal  
Jagadamba College of Engineering &  
Technology, Kirti Road, Kirti, Yavatmal

- Minor changes to the agreed upon Training Services plan will be addressed by the Client in good faith and it shall endeavour to address them appropriately.
- The Client is responsible for ensuring full cooperation and participation of the student in the placement process. All students who have undergone the training must compulsorily attend the placement process of the said company.

## PAYMENT TERMS AND OTHER CONDITIONS

- Batch list of students to be trained needs shall be annexed to this MOU. The annexure shall be read as a part of the MOU
- Under no circumstances can the Client establish contact with the company iTeknika is associated with i.e. company executives will be assisted by iTeknika and result of the placement drive will be communicated through iTeknika, institute should not contact company or company executive under any circumstances.
- Each class will be comprised of Min. 40 and Max. 60 students.
- Relevant training material will be provided as a soft copy by iTeknika.
- iTeknika makes no claims towards bringing companies of dream status for the candidates.
- Travel and stay expenses of company executive(s) and staff will be borne by the Client.
- Participation of un-trained students to any company is optional and subject to mutual approval by Client and iTeknika. The facility should however be used only after fully exhausting the pool of trained students.
- Participation of all trained students for whichever company they are eligible to apply is compulsory.
- Trained student(s) who deny appearing for any company or miss the placement process for whatever reason shall be considered as "placed" by iTeknika and excluded from any further placement process, if students do not participate in placement process, placing 75-100 students in 25 companies will be difficult. Hence, institute should ensure that all trained students should appear for the process wherever they are eligible.

  
Dr. Hemant M. Baradkar

  
iTeknika Services and Solutions Private Limited  
ESTD 2011

- iTeknika shall appoint one person from its team as the project manager who shall be responsible for the execution of the Training Services plan.
- The project manager will be responsible for all deliverables and actionable from iTeknika's side.
- Once the Training Services plan is approved by the Client, any changes to the plan shall be with mutual consent of both parties.
- Any request for change in training dates needs to be communicated to iTeknika at-least 7 (seven) working days in advance.
- Minor changes to the agreed upon Training Services plan will be addressed by iTeknika in good faith and it shall endeavour to address them appropriately.

#### Client role and responsibilities

- The Client shall be responsible for the approval of the Training Services and Placement Services plans.
- The Client shall appoint one person from their organisation as the project manager for the Training Services plan execution.
- The Client project manager will be responsible for all deliverables and actionable from the Client's side.
- The Client will be responsible for arranging adequate infrastructure at the Client premises for the execution of the Training Services and Placement Services plans . This shall include but is not limited to provided adequate training rooms, IT and computing infrastructure as may be required for training, projectors, whiteboards, flip-charts and similar other devices and equipment.
- It is the Client's responsibility to ensure that while approving it ensures that none of these fall during the training dates:
  - No Internal tests / examinations.
  - No college functions. (Ex: Sports day, Annual day)
  - No guest lecturers / special programs
  - No placement / recruitment process
  - Any other activity that disturbs the plan

  
 Dr. Hemant M. Baradkar  
 Principal  
 Jagdishrao College of Engineering &  
 Technology, Ami Road, Kirti, Yavatmal

- The schedule of each company will be decided mutually by the Client and iTeknika and the invited company.

### Clauses for Placement Services

- The schedule of each company will be decided mutually by Client and iTeknika and the invited company.
- Participation of all trained students in whichever company they are eligible is compulsory.
- Trained student(s) if any deny appearing for any company, the course of action for such students will be mutually defined by Client and iTeknika, also the impact of same on committed number of placement will be decided.
- Participation of un-trained students to any company is optional and subject to mutual approval by Client and iTeknika.
- Student once selected will be abide to guidelines regarding date of joining and other formalities to be done pre and post joining.
- Student once placed in one company, will not be allowed to appear for forthcoming placement drives, provided if good ranked company comes first for campus placement.

### ROLE AND RESPONSIBILITIES

#### iTeknika role and responsibilities

- iTeknika will have the primary responsibility of proposing an execution plan for the Training Service.
- The Training Services plan shall be mutually agreed upon by both parties, Dates should be suggested by institute, based upon academic calendar. We (party no. 2) suggest finishing the training before first week of October 2016.
- iTeknika will provide the trainers for executing the Training Services plan.
- In order to provide the best services to the Client, iTeknika, apart from it's employees may take help of its associates, partners, third parties and other arrangements.

Dr. Hemant M. Baradkar  
Principal  
Jyotiba College of Engineering & Technology, Amneshwar, Kalyani

### Technical Skills Training: 24 hrs (6 hours per day)

- C Programming
- CPP Programming
- DBMS
- Java Programming

### Scope of Placement Services

- iTeknika will be responsible for the authenticity of the company Here company means recruiter who will be brought at the Client's premises through iTeknika goodwill.
- A company, which on request of iTeknika conducts campus process resulting in nil recruitment, in that case the Placement Services, will be considered as an opportunity with no conversions.
- If a candidate is selected by the company, iTeknika will be responsible till the dispatch of offer letter by the company.
- iTeknika may also attempt to bring companies offering an internship model that usually offers permanent employment based on performance in the company by the candidate.
- iTeknika will align itself with the recruitment procedure of the Company(the recruiter) it is associated with and will not use any process or adopt unfair means at any stage of the selection process.

A maximum of 25 companies will be offered to the Client.

- 1. Webtech Technologies (SME)
- 2. DB Xento Systems (MNC)
- 3. Vodafone (MNC)
- 4. SSm Infotech (SME)
- 5. IMRB (MNC)
- 6. Oriental (MNC)
- 7. Universal Tools
- and many more ..... these are examples of few companies coming to campus.
- iTeknika shall endeavour to place around 75 to 100 students in these companies.
- iTeknika will invite companies from various streams for placement of Mechanical, Computer Science, EXTC , Civil and Electrical engineering students.
- Infrastructure required for placement drive shall be provided by the Client.

### Memorandum of Understanding

1. Shivaji Science College, Congress Nagar, Nagpur-12 for International Conference on Recent Trends in Science and Technology : Sustainable Development Through Scientific Approach. ICRTS-2017 at SSES Science College, Congress Nagar, Nagpur-440012, on dated, 12, 13 & 14<sup>th</sup> of July 2017. Is collaborating with -

Mr./Dr./Mrs. Dr. Shital A. Watile Secretary, Jagdambha College of Engineering, Yavatmal (M.S.) India

2. Dr. Shital Watile Secretary, Jagdambha College of Engineering, Yavatmal, agree to support the above said conference (ICRTS) 2017, on research support, know how for scrutinizing, peer reviewing and support for publication.

3. One person from institute would be the chief guest of inaugural function of said conference.

4. Principal of above said college and his Institution/Organization will not be involved nor incur any profit or loss or not be a claimant for TA/DA in ICRTS-2017 at or outside Nagpur.

5. MOU comes in enforcement on dated 10<sup>th</sup> Dec 2016

6. We both parties agree upon the above given points and will work transparently towards successful completion of event. The above Memorandum of understanding is executed through its authorized signatories as follows.

Dr./Mr./Mrs. Dr. Shital A. Watile  
Secretary Jagdambha College  
of Engineering, Yavatmal

Subject: Collaboration for Organizing International Conference ICRTS-2017 at SSES Science College, Congress Nagar Nagpur-440012 during 12 to 14<sup>th</sup> July 2017.

Respected Sir,

I may be excused for disturbing your extremely studied schedule. I am approaching you through this letter just to appraise that International Conference on Recent Trends in Science and Technology : Sustainable Development Through Scientific Approach (ICRTS-2017) is a flagship venture of SSES Science College, Congress Nagar-12, at SSES Science College, Congress Nagar, Nagpur-12, on dated 12, 13 & 14<sup>th</sup> of July 2017. Theme of conference will be 'Sustainable Development: Through Scientific Approach'.

SSES Science College, Congress Nagar Nagpur is a reputed institution run by Shri Shivalji Education Society Amravati and accredited with 'A' grade by NAAC and Potential for excellence identified by University Grants Commission. Since last decade college has collaborated with inland and abroad universities, institutions and industries of national and international repute.

The deliberated research material will be published in Scientific Peer Reviewed, Abstracted and indexed Research Journal having "impact factor 4.935" (2015-2016) i.e International Journal of Researches in Biosciences, Agriculture and Technology (ISSN NO 2347-517 X) and International Journal of Research in Social Sciences and Information Technology. We are expecting gathering of more than 500 Scientists, Researchers, Professors and Research Students from all over the World. This would be a mega event in academic arena and in this regard we are expecting the collaborative gathering.

Looking at the significance of this International Conference we are searching as an advertising partner without any financial involvement so as to perform collaborative event, and in turn, he can advertise his portfolio on a technical counter, just as a promoter of event and with research and advisory backup.

We shall always remain grateful and obliged to you.

With warm regards,

Sincerely yours  
Convener ICRTS-2017

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made and signed at Yavatmal on this day of 25<sup>th</sup> December, 2016

Between

Jagadambha College of Engineering & Technology, Sr. No. 167/1,167/2 &163,Arni Road, Mauza-Kinhi,Tal & Dist-Yavatmal represented by Dr. Shital A. Watile, Secretary, Jagadambha Bahuuddeshiya Gramin Vikas Sanstha, Yavatmal herein after called J.C.O.E.T which term shall where the content so admits be deemed to include their successors in office and assigns

And

Unnathi Research Foundation, Bangalore-73 represented by its herein after called URF which term shall where the content so admits be deemed to include their successors in office and assigns

Whereas

J.C.O.E.T, who are having good infrastructure and human resources. It imparts courses in the U.G. engineering branches of Mechanical Engg., Computer Engineering, Electronics and Telecommunication Engg., Electrical Engineering, Civil Engineering, P.G. engineering branches of Mechanical CAD/CAM, Structural Engineering, Computer Sci. & Engg. and Electronics & Telecommunication Engg. J.C.O.E.T is also well equipped with laboratories in Chemistry, Physics, Environmental Engineering, Materials testing, Geology, Geo Technical Engineering, Energy Engineering, Structural Engineering, Electronics & Computer Systems etc.

The J.C.O.E.T. has been established with a mission to nurture and Maintain quality environment for academic excellence research and development of entrepreneurship through dedicated staff and transparent management for bringing about a social change through affordable education.

J.C.O.E.T. was established in the year 2009, with the aim of providing quality professional education and to meet the rising expectation of industries and technological need of nation. Unique combination of traditional time tested methods and state of art ideas of teaching methodology are implemented and are continuously upgrade. J.C.O.E.T is

marching to develop as a centre of Excellence in the region and around, thus Institute have established a system of Quality assurance which would continuously impart, monitor and evaluate the quality of Education and improve the teaching learning process to produce competent technocrats for society & nation.

Whereas

Unnathi Research Foundation having a trust with the objectives like

To establish, maintain and run the research & development center for various fields of science & engineering.

To provide for or contributing to education and scientific research & development

To establish research and training center for the furtherance of education/learning in its various fields and branches

To function as a non communal trust and as a secular organization

The trust shall be an irrevocable public research and development trust for the benefit of all persons belonging to whatever community irrespective of caste, creed or religion.

J.C.O.E.T. and URF have been interacting to identify areas of common interest to both the organization and have already initiated a few student level development programmes. A discussion was held between the senior team of J.C.O.E.T. with the office bearers of URF wherein it was felt that there is ample scope for synergy in joint working between the two organization in scientific & engineering fields of Common interest.

J.C.O.E.T. and URF hereby resolve, inter-alia, to take up joint Research and Development activities as detailed below.

## Scope of work

Nano Science and Technology is an inter-disciplinary in nature involving a number of engineering and science streams. As such, J.C.O.E.T. and URF will cooperate to take up development projects in the fields of

- Materials Science, Chemistry and Physics
- Structural Engineering,
- Electrical Engineering,
- Electronics and Telecommunication Engineering,
- Computer Engineering,
- Mechanical Engineering,
- Civil Engineering,
- Information Technology, etc.

## Mode of working

J.C.O.E.T. and URF will decide on the extent of work to be carried out by them on each of the project identified to be taken up jointly. This includes deployment of facilities and manpower from their respective organizations.

## Confidentiality

Both parties agree to share the technical knowhow generated and will not pass on to the third party without taking the consent of the other in writing.

## Sharing of Intellectual Property Rights (IPR)

Sharing of IPR will be discussed in each of the project undertaken and an agreement will be signed prior to initiating joint R&D work on each of the project undertaken.

## Agreement Period

This agreement shall be initially for a period of five years commencing from the date of signing this MoU. Both parties will have rights to withdraw from the MoU by giving 3 months notice in writing.

## Arbitration

In case of any disputes, the matter will be discussed and settled between the Secretary, Jagadambha Bahuuddeshiya Gramin Vikas Sanstha, Yavatmal and the board of trustees of URF.

# MEMORANDUM OF UNDERSTANDING

BETWEEN

**JAGADAMBHA COLLEGE OF ENGINEERING & TECHNOLOGY**

Arni Road, Yavatmal

AND

**JAGADAMBA MILK AND MILK PRODUCT, AT KINHI, ARNI ROAD, YAVATMAL.**

This Agreement made and entered into on the day of **01/02/2017** between Jagadambha College of Engineering Technology, at Kinhi, Arni road, Yavatmal 445001 an Institute of JBGVS working for rural areas ( hereinafter called "JCOET") and Jagadamba Milk and Milk Product (hereinafter called "Company") with its registered office At Kinhi, Arni Road, Yavatmal, Maharashtra 445001

## 1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- To promote interaction between JCOET and COMPANY in mutually beneficial areas.
- To provide a formal basis for initiating interaction between JCOET and COMPANY.
- To provide and arrange the internship program for the JCOET students.
- To facilitate the industrial tour visit for JCOET students

## 2. PROPOSED MODES OF COLLABORATION

JCOET and COMPANY propose to collaborate through

- Intend to form a center for promoting best quality manpower in the fields of engineering, and technology with special emphasis on student's industrial visits.
- Both JCOET and COMPANY intends to encourage interactions between the Engineers, faculty members, Research fellows, and students.
- Industrial tour visits of students to the COMPANY for the on sight learning of technical terms and to acquire the practical knowledge.
- Students will be forwarded to the COMPANY for doing internship within given speculated time.
- Any other appropriate mode of interaction agreed upon between JCOET and COMPANY.

  
Dr. Hemant M. Baradkar  
Principal  
Jagadambha College of Engineering &  
Technology, Arni Road Kinhi Yavatmal

### 3. FORMS OF INDUSTRIAL TOUR AGREEMENT

The form of any of the said Industrial Tour Program entered into by the Parties may also include the following Sharing of Facilities:

- a) JCOET and COMPANY make provisions to share their respective important working facilities in order to promote academic and research interaction in the areas of engineering and technology.
- b) JCOET and COMPANY shall permit the sharing of hardwares, machines and any software and other materials and components developed in-house in the areas of engineering and technology.

### 4. FORMS OF INTERNSHIP AGREEMENT FOR THE STUDENTS

The form of any of the said Internship Program entered into by the Parties include the following points of considerations:

- a) JCOET and COMPANY agreed upon to share the working/execution process in the form of internship program for the JCOET students.
- b) Students will get the benefits of internship program sponsored/arranged by the COMPANY in the form of working culture, practical knowledge and industry experience.

### 5. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. The nature, scope and schedule of the industrial visit and internship program.
- b. The form of the research activities and collaboration.
- c. The estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. Other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

  
Dr. Hemant M. Baradkar  
Principal  
Jagdeemba College of Engineering &  
Technology, Amravati, Yavatma

## 6. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive to both parties, including their affiliates, subsidiaries and divisions, and are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

## 7. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire 3 years after the effective date specified. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

## 8. COSTS OF THE MOU

- Each Party shall bear the respective costs of carrying out the obligations under this MOU.
- Either of the both parties are responsible for the successful execution of the MOU irrespective of the cost associated with it.

## 9. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year as mentioned above.

Subject : MOU for Faculty Exchange and Student Training Programme.

Respected Sir

Jagadamba College of Engineering and Technology, a premier Engineering and Technology Institute at Yavatmal established by **Jagadamba Bahuuddeshiya Gramin Vikas Sanstha** in the year 2003. Sanstha is situated in Yavatmal. Since its inception the Organization has introduced various academic programmes. This institute is established in the year 2009 after AICTE, New Delhi's permission, on Arni (Mahur) Road, Nagpur-Tuljapur highway, at 6 km from Yavatmal City. Jagadamba College of Engineering and technology was founded by noted acamedecian Dr. Shital Watile, yavatmal to embraces a wide range of theories about the intersection between science & technology and society.

College is recognised by IAO, IAO is a non-profit international quality assurance agency based out of Houston TX, United States and its main goal is to enhance the standards of education worldwide. Jagadamba College of Engineering & Technology, Yavatmal was awarded the BERG Award for Innovation & Excellence in Education in the category of Technology Education at the inaugural BERG Awards for Education 2014 in Singapore.

We have a complete student centric approach and wish to collaborate with your esteemed institution for our Student training and Faculty exchange for limited nos. and abided by all terms and condition agreed upon.

Thanking You

Yours

## OPERATIVE PROVISIONS

### 1) SERVICES

The Envision training institute shall provide those services described as following

### 2) AREAS OF COOPERATION

1. The Envision Training Institute will provide Soft skills communication training to the students of JCOET, Yavatmal from **04/01/2016 To 04/01/2017.**
2. The Envision Training Institute should understand the pre requisites of the students before starting any training.
3. JCOET makes sure that students should regularly attend the sessions & no responsibility related to same falls under Envision Institute.
4. The trainers from Envision make sure to start & end the sessions as per schedule.
5. Trainer must take some interactive sessions along with take away points.
6. Feedback mechanism should be applied periodically for the assessment purpose.
7. Hospitality will be taken care my college itself. The fees / charges will paid by colleges in the installments as per mutual decision.

**Confidentiality:** Each party shall maintain complete confidentiality of any information of the other, disclosed during the term of this M.O.U.

8. This M.O.U. may not be amended without the prior written consent of both the parties. This M.O.U. will be effective for particular period and start date is **04/01/2016 To 04/01/2017.**

This Agreement can be renewed based on mutual convenience.

**Termination:** Either party can cancel or terminate this Agreement unilaterally (and without reason), by giving an advance written notice of one month to the other.

### KEY POINTS FROM

1. Notes will be provided to the students in the form of printed Hard copy / Soft copy as per availability.
2. Due to any avoidable situation for any circumstances decision will be taken by mutual consent.
3. In case of any complaint from the trainer related to any particular student should be made to TPO first.
4. In case of improper feedback from students, alternate trainer should be arranged immediately.

[www.jcoet.ac.in](http://www.jcoet.ac.in)

### 3) PAYMENT

JAGADAMBHA COLLEGE OF ENGINEERING shall pay in the form of RTGS or through DD only for services rendered pursuant to this M.O.U. as per mutual consent . The other party Shall submit all receipt for said services to JAGADAMBHA COLLEGE OF ENGINEERING in the specified manner.

#### Payment Release:-

1. 50% amount of the total shall be given by JCOET as an advance payment before the start of training.
2. 25% amount of the total , shall be given by JCOET when the training is 50% completed .
3. 25% amount of the total, shall be given by JCOET when the training is completed.

**MEMORANDUM OF UNDERSTANDING / AGREEMENT OF COOPERATION  
BETWEEN**

**Jagadamba College of Engineering and Technology, Yavatmal, India  
AND  
Birla Institute of Technology, Mesra Ranchi Offshore Campus, RAK -  
United Arab Emirates**

Whereas, Jagadamba College of Engineering and Technology, Yavatmal, India (hereinafter referred to as JCOET) is a institute in city Yavatmal, state Maharashtra, country India

Whereas, the Birla Institute of Technology, Mesra, Ranchi Offshore Campus, RAK - United Arab Emirates at (hereinafter referred to as CORE-BIT, RAK) is a institution of educational and research programs of the highest quality.

Now therefore JCOET and CORE-BIT, RAK enter into a (n) Memorandum of Understanding / Agreement of Cooperation to establish a program of exchange and collaboration in areas of benefit to both institutions.

**I.**

The purpose of the cooperation between JCOET and CORE-BIT, RAK is as follows:

- To promote interest in teaching and research activities of the respective institutions, and
- To deepen the understanding of the economic, cultural, and social issues environment of the respective institutions.

**II.**

To achieve these goals, JCOET and CORE-BIT, RAK will, insofar as the means of each allow:

- Promote institutional exchanges by inviting faculty and staff of the partner institutions to participate in a variety of research activities and professional development;
- Organize symposium, conferences, short courses and meetings on research issues.
- Carry out joint research programs in order to deepen the analysis and understanding of science and technology of the respective institutions; and
- Exchange information pertaining to developments in research at each institution.

**III.**

  
**Dr. Hemant M. Baradkar**  
Principal  
Jagadamba College of Engineering &  
Technology, Arni Road, Kinhi, Yavatmal

Each party designates the following sponsors to serve as its primary contact and liaison to arrange the initial resources needed to facilitate the partnership; review, evaluate, report program activities, and address any concerns or disputes that may arise relating to the terms and conditions of the Agreement.

**JCOET:** Jagadamba College of Engineering and Technology  
Arani Road, Yavatmal, SH-3, Arani Yavatmal Road, Yavatmal,  
Yavatmal, Maharashtra 445304, INDIA

**CORE-BIT, RAK:** Birla Institute of Technology, Mesra Ranchi Offshore Campus, RAK -  
United Arab Emirates

The sponsors, working with other appropriate administrators at the respective institutes, shall have the following responsibilities:

- To promote academic collaboration at faculty and both graduate and undergraduate student levels for research and study;
- To act as principal contacts for individual and group activities and to plan and coordinate all activities within their institutions as well as with the partner institution;
- To distribute to each institution information about the faculty, facilities, research, publications, library materials and educational resources of the other institution; and
- To meet periodically to review and evaluate past activities and to work out new ideas for future cooperative agreements.

#### IV.

This Memorandum of Understanding / Agreement will be identified as the parent document of any program agreement executed between the parties. No modification, alteration or amendment of this Agreement will be effective unless in writing and signed by the Parties.

Further agreements concerning any program will provide details concerning the specific commitments made by each party and will not become effective until they have been put down in writing and executed by the duly authorized representatives of the parties. The scope of the activities under this agreement will be determined by the funds regularly available at both institutions for the types of collaboration undertaken and by financial assistance as may be obtained by either institution from external sources.

#### V.

This Memorandum / Agreement is not a contract. This Memorandum / Agreement serves only as a statement of the general intention of the Parties and is not intended to be legally binding nor to be construed as an agreement on any matters mentioned. No oral agreement or conduct of the Parties (including partial performance) in respect of matters stated

Technology, Arni Road, Kinhi, Yavatmal

in this Memorandum / Agreement shall be deemed to impose any obligation or liability on either Party.

This Memorandum / Agreement is not intended to constitute, create, give effect to, or otherwise form a joint venture, or other business entity of any kind. Neither Party shall act as an agent for, or partner of, the other Party. There are neither any rights nor obligations of the Parties established under this Memorandum / Agreement.

VI.

Although the intention of this Memorandum / Agreement is to discuss and negotiate issues with respect to a possible definitive agreement between the Parties, the relationship is non-exclusive, and the Parties shall have the ability to form similar or different business relationships with other companies or entities of their choice.

VII.

All publications resulting from the collaboration between the two institutions must give recognition to the Memorandum / Agreement. Likewise, the Memorandum / Agreement must also be mentioned in all courses and formal presentations that result from collaboration under the terms hereof.

Should any faculty collaboration result in any potential for intellectual property, the parties will immediately meet through designated representatives and seek an equitable and fair understanding as to ownership and other property interests that may arise. Any such discussions will at all times strive to preserve a harmonious and continuing relationship between the parties.

VIII.

The parties agree to comply with all applicable state laws; ordinances, rules, and regulations; all applicable requirements of any accreditation authority, and to certify such compliance upon request

The Parties agree to comply with all national, state, and local rules, regulations, executive orders, laws, and policies for bidding unlawful discrimination to which Institution is subject.

IX.

The Parties intend to discuss with each other press releases in connection with this Memorandum / Agreement prior to publication of any press release.

X.

The Parties understand that they are proceeding at their own risk and they understand that costs regarding the subject matter under this Memorandum / Agreement are to be paid for

Technology, Arni Road, Kinhi, Yavatma

by the Party who incurs the cost. Nothing contained in this Memorandum / Agreement is to be construed as providing for the sharing of profits or losses arising out of the efforts of either or both Parties. Neither Party will be liable to the other for any costs, expenses, risks or liabilities arising out of the other Parties efforts in connection with this Memorandum / Agreement.

XI.

Upon approval by each institution, this Memorandum / Agreement will remain in effect for a period of five (5) years unless terminated earlier by either institution. Such termination by one institution shall be effected by giving the other institution at least six (6) months advance written notice of its intention to terminate. If such notice is given, this Agreement shall terminate: (a) at the end of such six (6) months; or (b) when all students enrolled in a course of study pursuant to a Program Agreement at the time such notice is given have completed their respective courses of study, whichever event occurs last. Termination will be without penalty. If this Memorandum / Agreement are terminated, neither JCOET nor CORE-BIT, RAK will be liable to the other for any monetary or other losses which may result.

Notwithstanding the above, the period of this cooperation will, if necessary, be extended with consent in writing from the Parties.

EXECUTED by JCOET and CORE-BIT, RAK in duplicate copies, each of which will be deemed an original.
