MEMORANDUM OF UNDERSTANDING

BETWEEN

JAGADAMBHA COLLEGE OF ENGINEERING & TECHNOLOGY, YAVATMAL

AND

FUTURE GEN TECHNOLOGIES

This Memorandum of Understanding (MOU) entered on the date 14/08/2019

By and Between

Jagadambha College of Engineering & Technology, kinhi, Arni Road Yavatmal 445001 and represented by its PRINCIPAL (Dr. H.M. Baradkar)

And

Future Gen Technologies, having its offices at 5th Floor, Green House Building, Beside Aditya Trade Center, Myitrivanam, Ameerpet, Hyderabad, Telangana 500873. (Contact No.+91- 8341132481) here in after referred as "REVIT Structure" for the sake of the brevity) and represented by its center Head of Mr. Zaheeruddin sk. having the training center.

Future Gen Technologies Training center, the party of the first part shall provide:

- Make the students aware of the latest tools and techniques through technical appreciation programs and keep them aware of the industry requirements.
- Assistance in downloading Student version of REVIT Structure software on behalf of the Future Gen Technologies Training center and assistance in installing in the employees machines.
- Advanced training at a subsidized training course material, authorized certificate etc complete so
 that students will be able to manage projects through REVIT Structure
- Qualified trainers for the conduct of the REVIT Structure training course.
- Periodical assessment of the progress of the students for their further improvements.
- Disciplinary support for the smooth conduct and timely completion of the entire course of 32 hrs duration.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Ami Kead, Kinni, Yavatmai

Participants:

The participants would be the students of JAGADAMBHA COLLEGE OF ENGINEERING (CIVIL ENGINEERING STUDENTS). Based on the development of better relationship between the parties involved other training programs may be arranged in future.

Time schedule:

The program will be conducted during the 32 Hours, depending on the total strength, the students will be divided into batches with a minimum 2 trainers.

The program will be conducted according to the time table drawn up with the mutual consent of both parties.

Validity:

This Memorandum of Understanding will be valid for a period of one year. This Memorandum of Understanding shall come into effect from Date 14/08/2019. It will be terminated after one year from this date.

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

JAGADAMBHA COLLEGE OF ENGINEERING & TECHNOLOGY, YAVATMAL, MAHARASHTRA, INDIA-445001

And

Rubicon Skill Development Pvt. Ltd. Pune, 801, 8th Floor, Tower 1, World Trade Center, Kharadi, Pune, Maharashtra 411014

FOR

Technical Internship, Technical Training, Personality Development skill, HR Services Project Development skill, Certificate Courses, etc.

> Dr. Hemant M. Baradkar Principal Jagasambha College of Engineering & Technology, Arni Kead, Kinni, Yavatmai.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (here in after called as the MOU') is entered in to on this date 13 th August 2019 by and between.

Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001, THE FIRST PARTY represented here in by its Dr. H M Baradkar, Principal.

AND

Rubicon Skill Development Pvt. Ltd. Pune, 801, 8th Floor, Tower 1, World Trade Center, Kharadi, Pune, Maharashtra 411014

THE SECOND PARTY represented here in by its Mr. Pravir Kumar, Director

PURPOSE OF MOU

In particular, this MOU is intended to

- Technical Skill "Internet of Things" Workshop under Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001.
 - Organize various Technical Workshops like Technical Internship, Technical Training,
 Personality Development skill, HR Services Project Development skill, Certificate Courses,
 etc.
- 3. Conduct Mock Technical Interviews
- 4. Assist the students in developing technical and HR skills
- 5. Provide Internships/Training for Students

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Ami Road, Kinhi, Yavatmai.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FOR THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

Clause1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between First Party and Second Party will facilitate effective utilization ofthe intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the First Party.

Clause2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- 2.2 The Second Party will give valuable inputs to the First Party in teaching/training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between Industry and Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- 2.5 The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.6 The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Ami Kead, Kinhi, Yavatmai

Clause 3

VALIDIY

- 3.1 The validity of the agreement is One year from the date of agreement.
- 3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 3.3 Any dispute will be settled in the Midnapore Court only where the Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001 is situated.

Ref. No.:

MEMORANDUM OF UNDERSTANDING

Date 20/6/2019

This Memorandum of Understanding (herein after referred to as MoU) is entered into on this Date: 20/06/10 Protesteen Mechanical Engineering Department, under (Jagadambha College of Engineering & Technology, Yavatmal) herein referred to as Jagadambha College of Engineering & Technology and M/S Pachkawade Agro Engineering Corporation, Plot A-74, MIDC Lohara, Yavatmal-445001. The scope of the MoU, the roles and responsibilities of the parties of the MoU are given below:

Alliance Objective

This document outlines a strategic understanding between M/S Pachkawade Agro Engineering Corporation and Jagadambha College of Engineering & Technology to work together to offer the Industry Institution Interaction. The primary aim of this partnership is to aid Jagadambha College of Engineering & Technology, Yavatmal in establishing a high quality people repository in design and manufacturing technologies. This will help Jagadambha College of Engineering & Technology teach and train their students on strategic technologies and to position them to support India's vision on initiative program like Make In India and Magnetic Maharashtra. As opposed to a one time implementation, this is a strategic initiative and requires the total commitment of both M/S Pachkawade Agro Engineering Corporation and Jagadambha College of Engineering & Technology, Yavatmal.

The Jagadambha College of Engineering & Technology, Yavatmal would like allow, one of the prime institutions in India in the field of Education, and imparts training and application at actual field to our students through Industry Institution Interaction.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Ami Read, Kinhi, Yavatmai

1. Benefits to the Jagadambha College of Engineering & Technology, Vavatmal

- 1.1. Opportunity to emerge as one of the competent entities in the academic circles in Research and development in the area of manufacturing and Technology;
- 1.2. Opportunity to be recognized by the industry and academic circles as one of the preferred locations for acquiring training and skills development in latest technology in the field of design and manufacturing.
- 1.3. Opportunity to utilize the Program to train students on M/S Pachkawade Agro Engineering Corporation products and technologies;
- 1.4. Opportunity for the faculty and students of Jagadambha College of Engineering & Technology, Yavatmal to design world class curriculum capable of delivering the quality of industrial environment at present and also for the future;
- 1.5. Opportunity for students to avail Industrial Training and Visit Certification from M/S Pachkawade Agro Engineering Corporation.

2. Benefits to the M/S Pachkawade Agro Engineering Corporation

- Creation of a trained human resource pool of to boost the existing skill level in the country;
- 2.2. Inclusion of new technology in the field of manufacturing technology will be imparted in the curriculum to bridge the Industry Institution gap;
- Availability of skilled students from the Program for projects which would benefit to Industry.

3. Relationship Between The Parties

- 3.1. Neither Jagadambha College of Engineering & Technology, Yavatmal nor M/S Pachkawade Agro Engineering Corporation is or will be an agent or legal representative or partner of the other. Neither of them is or shall be responsible for the debts incurred by the other or be bound by any contracts or representations made by the other or any obligations undertaken by the other. Neither of them is or shall be an employee or franchisee of the other, nor does this MoU create a joint venture or any similar relationship between them.
- 3.2. Neither party will make any representations pertaining to the other or its depends of the other affairs, without the express prior written consent and approval of the other.

Dr. Hemant M. Baradkar Principal Jagasambha College of Engineering & Technology, Arni Read, Kinhi, Yavatmal

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISESSET FOR THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

Clause1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the First Party.

Clause2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- 2.2 The Second Party will give valuable inputs to the First Party in teaching/training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between Industry and Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in IndustrialTraining Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have asmooth transition from academic to working career. The Second Party will provide its Labs/Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- 2.5 The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.6 The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Ami Kead, Kinhi, Yavatmai

Clause3

VALIDTY

- 3.1 The validity of the agreement is One year from the date of agreement.
- 3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 3.3 Any dispute will be settled in the Midnapore Court only where the Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001 is situated.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering

INTRODUCTION:

This MoU is hereby made and entered in between Late Rajkamalji Bharti Arts, Commerce & Smt. Sushilabai R. Bharti Science College, Arni Dist. Yavatmal-441503 and Jagdambha College of Engineering and Technology, Kinhi, Yavatmal

PURPOSE:

The purpose of this Memorandum of Understanding is to continue and expand the frame work of co-operation between Late Rajkamalji Bharti Arts, Commerce and Smt. Sushilabai R. Bharti Science College, Arni. Dist.- Yavatmal and Jagadambha College of Engineering and Technology ,Kinhi, Dist.- Yavatmal and to develop and execute the mutually beneficial programmes, projects and activities regarding the overall development of students.

OBJECTIVES:

Late Rajkamalji Bharti Arts, Commerce and Smt. Sushilabai R. Bharti Science College, Arni.

Dist.- Yavatmal and Jagadambha College of Engineering and Technology ,Kinhi, Dist.
Yavatmal has mutually agreed to cooperate with each other in following areas.

- To encourage and advance the knowledge, study and practice of students regarding Mathematics.
- 2) To interact and guide the students in the research areas.
- 3) To provide the innovative skills and ideas regarding mathematics to the students.
- 4) To organize students oriented seminars, workshops etc.
- 5) To organize any other activity or do all such activities as may be incidental or conducive to the furtherance of the interest of students

TERMS AND CONDITIONS:

Either party can terminate the MoU after giving month's notice to the other party subject to fulfillment of commitments already agreed upon.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Ami Kead, Kinni, Yavatmai

REVIEW:

The MoU shall be reviewed at the end of every academic year.

SETTLEMENT OF DISPUTE (if any):

Any dispute arising out of this MoU will be settled by mutual negotiation between the two parties

VALIDITY:

The MoU will remain valid for the period of five years from the date it is signed by the parties. This memorandum of understanding (MoU) is entered between Late Rajkamalji Bharti Arts, Commerce & Smt. Sushilabai R. Bharti Science College, Arni. MEMORANDUM OF UNDERSTANDING FOR CLUSTER COLLEGE

BETWEEN

Dnyandeep Shikshan Prasarak Mandal, Chandrapur's

Dr.Khatri Mahavidyalaya, Tukum, Chandrapur, Maharashtra

And

Sevadal Education society Nagpur

Sevadal Mahila Mahavidyalaya, Nagpur, Maharashtra

And

Jagdambha Bahuudeshiya Gramin Vikas Sanstha, Yavatmal
Jagdambha College Engineering and Technology, Yavatmal, Maharashtra

To

Promote and Enhance Academic Co-Operation In Faculty Development, Education And Research

The objective of this memorandum of understanding is to facilitate beneficial activities which are serve to enhance the intellectucal life of the students and faculties of the institutions involved in this memorandum. Thus Dr. Khatri Mahavidyalaya, Tukum, Chandrapur, Maharashtra, india(here in party one), Sevadal mahila Mahavidyalaya, Nagpur, Maharashtra (here in party Two) and Jagdambha College of Engineering and Technology, Yavatmal, Maharshtra, India(here in party three) have agreed in support of their mutual intrests in the field of education, Faculty development and research and in accordance with terms and conditions set forth in this memorandum of Understanding.

A. All the three parties involved in this MOU agree:

- 1. To exchange information on research and educational programmes,
- 2. To jointly organize short term continuing education programmes on topic of mutual interests.
- To jointly organize Workshops, Conferences, Seminars, and Symposiums on topics of mutual interest and invite each other's faculty and student to participate in.
- To provide necessary help in organizing Workshops, Conference for enhancement of skills respect of teaching, non-teaching staff and students.
- To promote programmes undertaken and shall be advertised through respective websites of the parties.
- 6. To cooperate and facilitate effective utilization of intellectual capabilities of the faculties.
- 7. To extend the necessary support to deliver guest lecture or seminars to the student and staff.

8. That this memorandum is for the benefit of the parties and is not intended to benefit or be enforceable by anyone else.

B. Tenure and Termination

1. This agreement will take effect from the date of its signing.

2. This MOU will remain valid for five years and will be extended further. However, it will be subject for review whenever all the three parties feel necessary.

3. In the event of any dispute between the parties relating to this agreement, its interpretation or performance here under, the parties shall exert their best efforts to resolve the dispute ambicaly through negotiations.

4. Either parties may terminate the MOU by giving writeen notice prior to three months or this agreement will be terminated upon mutual consent of the parties.

C. Confidentiality

- 1. Each party undertakes that it will not at any time use, disvulge or communicate to any other person any confidential information concering the affairs, intellectual property of the other party which may have come to the knowledge as a result of memorandum and each of the parties shall use its reasonable endeavors to prevent the publication or disclosure of any conf -idential information concering such matters.
- 2. All the three parties agree to hold in confidence all the information or data as being confidential and will not be disclosed to others without written consent of each other.

D. Complilance with rules and regulation

- 1. The parties specifically intended to comply with all rules and regulations as they may be amended from time to time. If any part of this agreement is determined to violet rules and regulations of university, Maharashtra State or UGC, the parties agree to negotiate in good faith revisions to any provisions.
- 2. If the parties fail to agree within a reasonable time, either party may terminate this agreement upon (03) three months prior written notice to the other party.

This memorandum of Understanding is signed between Dr.J.M.Kakde,Officiating Principal.Dr.Khatri Mahavidyalaya, Tukum, Chandrapur, Dr. Pravin Charde, Principal, Sevadal Mahila Mahavidyalaya, Nagpur, and DR. Hemant Baradkar, Principal, Jagdambha College of Engineering and Technology, Yavatmal.

MEMORANDUM OF UNDERSTANDING

BETWEEN

JAGADAMBHA COLLEGE OF ENGINEERING & TECHNOLOGY, YAVATMAL

AND

BALAJI CONSTRUCTION Yavatmal

Jagadambha College of Engineering & Technology, At Kinhi, Arni Road, Yavatmal 445001 (MS) (Party No-1)

& Er Santosh Sapate, Balaji Construction Bharti Complex In Front of Gramin Police Station Darwha Road Yavatmal (Party No-2) are signing an agreement to provide the actual site training.

JAGADAMBHA COLLEGE OF ENGINEERING & TECHNOLOGY (JCOET), YAVATMAL was established by JBGVS on an expanse of 11 acres on Nagpur Tuljapur Highway just 5km from yavatmal bus stand. The institute is located at quite calm and peaceful area an ideal site for teaching learning, with the approval of All India Council for Technical Education and Govt. of Maharashtra. The college started functioning from the academic year 2009-10, initially with four branches with a total intake 240 students. The college is affiliated to Santa Gadge Baba Amravati University

Santosh Sapate founder of Balaji Construction is well known personality providing training on actual construction site for overall grooming of the students.

This Agreement made and entered into on the day of 02/09/2019 between Jagadambha College of Engineering & Technology, At Kinhi, Arni Road, Yavatmal 445001 an institute of JBGVS working for rural areas (hereinafter called "JCOET") and Santosh Sapate (hereinafter called "Balaji Construction") with his registered office Santosh Sapate, Balaji Construction Bharti Complex In Front of Gramin Police Station Darwha Road Yavatmal (Contact No- 9726330460/9960109681), Maharashtra.

OBJECTIVES OF THE MOU

The objectives of this Memorandum of understanding are:

- To promote interaction between JCOET and Balaji Construction in mutually beneficial areas.
- To provide a formal basis for imitating interaction between JCOET and Balaji Construction.
- To provide and arrange the internship program for the JCOET students.
- d. To facilitate the industrial tour visit for the JCOET students.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Arni Read, Kinni, Yavatmai

2. PROPOSED MODES OF COLLABRATION

JCOET and Balaji Construction propose to collaborate through

- a. Intend to form a center for promoting best quality manpower in the fields of engineering & technology with special emphasis on student's industrial visits.
- Both JCOET and Balaji Construction intends to encourage interactions between the Engineers, faculty members. Research fellows and students.
- c. Industrial tour visits of students to the Balaji Construction for on sight learning oftechnical terms and to acquire the practical knowledge.
- Students will be forwarded to the Balaji Construction for doing internship within givenSpeculated time.
- e. Any other appropriate mode of interaction agreed upon between JCOET and Balaji Construction.

3. FORMS OF INTERNSHIP TOUR AGREEMENT

The form of any of the said Industrial tour Program entered into by the parties may also include the following Sharing of Facilities:

- a. JCOET and Balaji Construction makes provisions to share their respective important working facilities in order to promote academic and research interaction in the areas of engineering & technology.
- JCOET and Balaji Construction shall permit the sharing of hardware's, machines and any software and other materials and components develop in house in the of areas of engineering & technology.

4. FORMS OF INTERNSHIP TOUR AGREEMENT

The form of any of the said internship Program entered into by the parties includes the following points of considerations:

- JCOET and Balaji Construction agreed upon to share the working/execution process in the form of internship program for the JCOET students.
- b. Students will get the benefits the internship program sponsored/arranged by their the form of working culture, practical knowledge and industry experience.

5. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. The nature, scope and schedule of the industrial visits and internship program.
- The form of research activates and coloration.
- c. The estimated cost of the research coloration together with the amount of funding, if any, to be received from third parties.
- d. Other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Armi Kead, Kinhi, Yavatmai

6. NON EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive to both parties, including their affiliates, subsidiaries and divisions and are free to pursue other agreements or colorations of any kind. However, when entering into a particular research agreements, the participants may agree to limit each party's right to collaborate with others on that subject.

7. TERMS AND TERMINATION

This MOU unless extended by mutual written agreement of the parties, shall expire 1 year after the effective date specified. This MOU may be amended or terminated earlier by written mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral. Shall after the obligations of the participants under any research Agreement. Confidentially clause as referenced in clause 6 above or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

8. COSTS OF THE MOU

- Each party shall bear the respective costs of carrying out the obligations under this MOU.
- Either of the both parties are responsible for the successful execution of the MOU irrespective of the cost associated with it.

9. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW the parties acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and years as mentioned above.

Mr. Santosh Sapate (BALAJI CONSTRUCTION)

Date:-03/09/2019

MEMORANDUM OF UNDERSTANDING

BETWEEN

JAGADAMBHA COLLEGE OF ENGINEERING & TECHNOLOGY, YAVATMAL

AND

PRAVIN FASATE CONSTRUCTION COMPANY Yavatmal (PFCC)

Jagadambha College of Engineering & Technology, At Kinhi, Arni Road, Yavatmal 445001 (MS) (Party No-1)

& Pravin Fasate Prajapati Nagar, yavatmal 445001 (Contact No- 9423652909) (Party No-2) are signing an agreement to provide the actual site training.

JAGADAMBHA COLLEGE OF ENGINEERING & TECHNOLOGY (JCOET), YAVATMAL was established by JBGVS on an expanse of 11 acres on Nagpur Tuljapur Highway just 5km from yavatmal bus stand. The institute is located at quite calm and peaceful area an ideal site for teaching learning, with the approval of All India Council for Technical Education and Govt. of Maharashtra. The college started functioning from the academic year 2009-10, initially with four branches with a total intake 240 students. The college is affiliated to Santa Gadge Baba Amravati University

Pravin Fasate founder of PFCC is well known personality providing training on actual construction site for overall grooming of the students.

This Agreement made and entered into on the day of 03/08/2019 between Jagadambha College of Engineering & Technology, At Kinhi, Arni Road, Yavatmal 445001 an institute of JBGVS working for rural areas (hereinafter called "JCOET") and Pravin Fasate (hereinafter called "PFCC") with his registered office Pravin Fasate Prajapati Nagar, yavatmal 445001 (Contact No- 9423652909), Maharashtra.

OBJECTIVES OF THE MOU

The objectives of this Memorandum of understanding are:

- a. To promote interaction between JCOET and PFCC in mutually beneficial areas.
- b. To provide a formal basis for imitating interaction between JCOET and PFCC.
- c. To provide and arrange the internship program for the JCOET students.
- d. To facilitate the industrial tour visit for the JCOET students.

PROPOSED MODES OF COLLABRATION
 JCOET and PFCC propose to collaborate through

Dr. Hemant M. Baradkar Principal Jagastambha College of Engineering & Technology, Ami Kead, Kinhi, Yavatmai

- Intend to form a center for promoting best quality manpower in the fields of engineering & technology with special emphasis on student's industrial visits.
- Both JCOET and PFCC intends to encourage interactions between the Engineers, faculty members. Research fellows and students.
- c. Industrial tour visits of students to the PFCC for on sight learning of technical terms and to acquire the practical knowledge.
- Students will be forwarded to the PFCC for doing internship within given Speculated time.
- e. Any other appropriate mode of interaction agreed upon between JCOET and PFCC.

3. FORMS OF INTERNSHIP TOUR AGREEMENT

The form of any of the said Industrial tour Program entered into by the parties may also include the following Sharing of Facilities:

- JCOET and PFCC makes provisions to share their respective important working facilities in order to promote academic and research interaction in the areas of engineering & technology.
- JCOET and PFCC shall permit the sharing of hardware's, machines and any software and other materials and components develop in house in the of areas of engineering & technology.

4. FORMS OF INTERNSHIP TOUR AGREEMENT

The form of any of the said internship Program entered into by the parties includes the following points of considerations:

- JCOET and PFCC agreed upon to share the working/execution process in the form of internship program for the JCOET students.
- b. Students will get the benefits the internship program sponsored/arranged by the PFCC in the form of working culture, practical knowledge and industry experience.

5. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. The nature, scope and schedule of the industrial visits and internship program.
- b. The form of research activates and coloration.
- c. The estimated cost of the research coloration together with the amount of funding, if any, to be received from third parties.
- d. Other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

Dr. Hemant M. Baradkar Principal Jagasambha College of Engineering & Technology, Ami Kead, Kinni, Yavatmai

6. NON EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive to both parties, including their affiliates, subsidiaries and divisions and are free to pursue other agreements or colorations of any kind. However, when entering into a particular research agreements, the participants may agree to limit each party's right to collaborate with others on that subject.

7. TERMS AND TERMINATION

This MOU unless extended by mutual written agreement of the parties, shall expire 6 months after the effective date specified. This MOU may be amended or terminated earlier by written mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral. Shall after the obligations of the participants under any research Agreement. Confidentially clause as referenced in clause 6 above or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

8. COSTS OF THE MOU

- Each party shall bear the respective costs of carrying out the obligations under this MOU,
- Either of the both parties are responsible for the successful execution of the MOU irrespective of the cost associated with it.

9. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW the parties acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and years as mentioned above.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (here in after called as the 'MOU') is entered in to on this date 15th July 2019 by and between.

Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001, THE FIRST PARTY represented here in by its Dr. H M Baradkar, Principal.

AND

PBR Research , Amravati , Navathe Plot, Badnera Road, Amravati (MH) - 444607

THE SECOND PARTY represented here in by its Mr. Bahubali Fuladi, Director

PURPOSE OF MOU

In particular, this MOU is intended to

- Technical Skill "3D Printing and Laser Technology" Workshop under Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001
- Organize various Technical Workshops like Services and solutions to 3D printing, Training in Embedded System field, 3D Computer-Aided Design (CAD), laser cutting and engraving, Laser Technology.
- 3. Conduct Mock Technical Interviews
- 4. Assist the students in establishing various start-ups

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Ami Kead, Kinni, Yavatmai

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FOR THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

Clause1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between First Party and Second Party will facilitate effective utilization ofthe intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the First Party.

Clause2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- 2.2 The Second Party will give valuable inputs to the First Party in teaching/training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between Industry and Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in IndustrialTraining Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have asmooth transition from academic to working career. The Second Party will provide its Labs/Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- 2.5 The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.6 The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

Dr. Hemant M. Baradkar Principal Jagadambha College of Engineering & Technology, Arni Kead, Kinhi, Yavatmai.

Clause 3

VALIDIY

- 3.1 The validity of the agreement is One year from the date of agreement.
- 3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 3.3 Any dispute will be settled in the Midnapore Court only where the Jagadambha College of Engineering & Technology, Yavatmal, Maharashtra, India-445001is situated.
