**One Day online Webinar
On
“Intellectual Property Rights”
Organized by
Jagadambha College of Engineering & Technology, Yavatmal
Academic Year: - 2020-21**

1	Title of Activity	Intellectual Property Rights
2	Speaker	Dr. Santhanakrishnan Raman from Broadcom Ltd. Bangalore
3	Co-Ordinator	Prof. R. K. Solanki
4	Date of Activity	10 th March 2021
5	Time	11.00 am to 1.00 pm & 1.30 pm to 2.30 pm
6	Objective of Activity	To enable the participants, the purposes of protection granted to creators of innovative intellectual creations. Intellectual property (IP) rights serve the important purpose of ensuring that creators will be recognized for their efforts and protected from infringement.
7	Venue	Online Mode

An important initiative has been taken by Jagadambha College of Engineering & Technology, Yavatmal. To motivate the Students to enhance the research skills and their works are protected, creators are more likely to come up with more new creations. As such, IP also helps to promote creativity and innovation. For the fulfillment of this activity Jagadambha College of Engineering & Technology organized “One Day Webinar on Intellectual Property Rights” In this webinar total 48 faculty members and 144 Students participated.

On dated 10/03/2021, The Inaugural Program of online workshop on Research Methodology has been organized in online mode. This Program was organized by Jagadambha College of Engineering & Technology; Yavatmal & the Expert for this program was Dr. Santhanakrishnan Raman from from Broadcom Ltd. Bangalore.

The Dignitaries for the Inauguration of one day online workshop Dr. S. A. Watile Secretary JBGVS Yavatmal, Prof. Prof. R. K. Solanki, Co-ordinator of this Webinar, along with all head of departments, participants and staff members was present. Prof. R. K. Solanki (Webinar Co-ordinator) had given the brief introduction of Keynote Speaker Dr. Santhanakrishnan Raman. The Inauguration function ended by proposing vote of thanks. After that all faculties and participants proceeded for Webinar.

Session 1- 11.30 AM to 1 PM

Dr. Santhanakrishnan Raman delivered the contents on the following topics

- Literary works
- Artistic works
- Scientific works
- Broadcasts

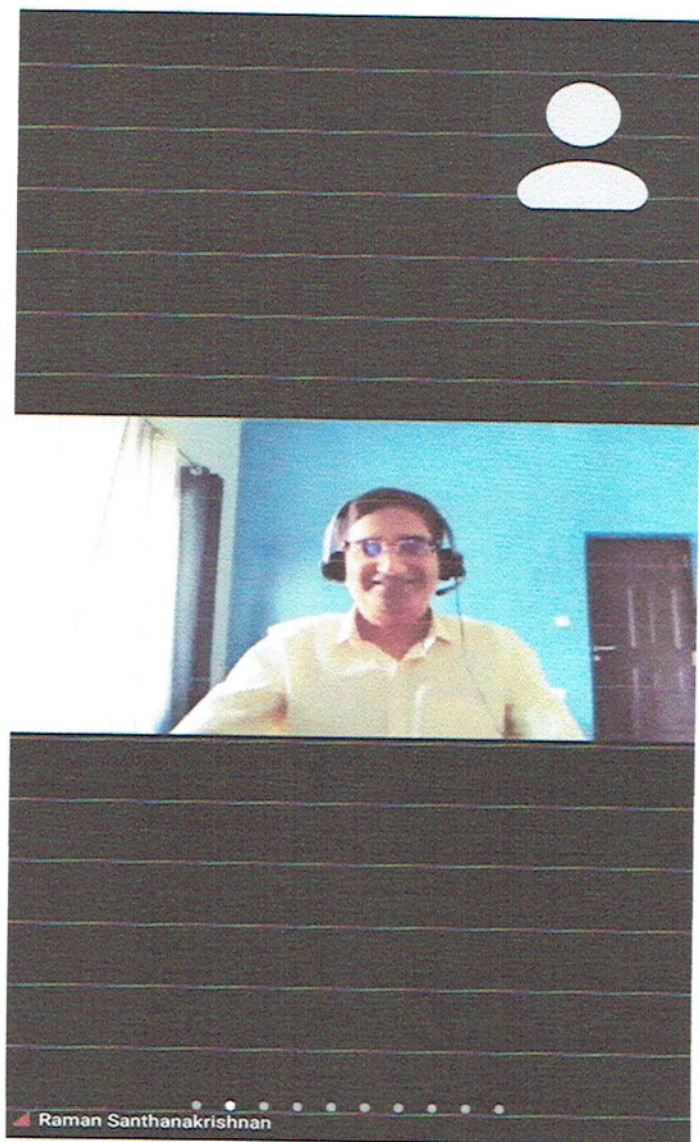

Session 2- 1.30 AM to 2.30 PM

Dr. Santhanakrishnan Raman delivered the contents on the following topics

- Patents
- Copyrights
- Trademarks
- Service marks
- Trade secrets

**One Day Online Workshop on
“Entrepreneurship Awareness Program”
Organized by Jagadambha College of Engineering & Technology Yavatmal
Academic Year: - 2020-21**

1. Title of Activity	One Day Online Workshop on “Entrepreneurship Awareness Program”
2. Speaker	Mr. Mangesh Pachkawade
3. Date of Activity	14/07/2020
4. Time	11.30 to 1 PM & 1.30 PM to 2.30 PM
4. Objective	<ul style="list-style-type: none">● To get the knowledge about How to start any business? Where to start any business and how to do it.● Self Personality development in the beginning of any business.● Information of District Industrial Centre (DIC)
5. Venue	Online Mode
6. No. of Beneficiary	234 Students

Syllabus:

- 1) To Understand Entrepreneurship and its Importance.
- 2) For knowledge with respect to business and its Opportunities.
- 3) How to start Business in a city and in a village?
- 4) Development of Personality. Importance of Personality development while starting a business.
- 5) Information of District Industrial center.
- 6) To Know about SSI unit Process of Registration.
- 7) Introduction about technical terms used in any business.

Brief Report

In Jagadambha College of Engineering & Technology, Yavatmal we have organized a one day workshop for Final Year students across all branches were conducted by Expert under guidance of Mr. Mangesh Pachkawade on dated 14/07/2020.

The objective of this program is, "To create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option."

On dated 14/07/2020, The Inaugural Program of One Day Online Workshop on "Entrepreneurship Awareness Program" has been organized in online mode by JCET -Jagadambha College of Engineering &Tech. Yavatmal.

The Dignitaries for the Inauguration of workshop Dr. S. A. Watile Secretary JBGVS Yavatmal, Prof. A. A. Kolpyakwar Workshop Coordinator, Expert Mr. Mangesh Pachkawade Sir along with all heads of departments, participants and staff were present. After that function proceeded through the welcome ceremony of all dignitaries. Prof. S. K. Wagh (workshop co-coordinator) had given the brief introduction of One Day Online Workshop on "Entrepreneurship Awareness Program" & Keynote Speaker Mangesh Pachkawade Sir having practical experience of 12 years in marketing & production industry. The Inauguration function ended by proposing a vote of thanks by the hands of Prof. A. A. Kolpyakwar Workshop Coordinator. After the guest, faculties and participants proceeded for the workshop.

Mr. Mangesh Pachkawade delivered the knowledge about,

- * Public Speaking
- * Art of Listening
- * Speech Craft
- * Leadership Skill
- * Motivational Speech
- * Entrepreneurship awareness

Schedule for Entrepreneurship Awareness Program:

Session I		Session II	
Inauguration- Camp Objective, Entrepreneurship (general concepts only)	Historical background - Indian values vis-a-vis Entrepreneurship and the present scenario	Identification of opportunities for entrepreneurs	Mechanism of product selection and technology- assistance from R&D labs and others on choice of technology etc
How to start a SSI unit (General concept about the Govt. formalities, rules & regulation, location, and different aspect of an industrial Venture.)	Tech. & commercial Aspects of SSI unit (General concept only)	Financial aspects of SSI unit including salient features of a project report	Support and financial assistance from Govt. agencies, banks, financial institutions, SFCs and others- securities demanded by FIs/banks etc
Creativity and business- the man behind the venture - the behavioral scientist's approach	Communication skills (interacting with people) for better results	Lectures by practicing entrepreneur's success stories- common problems faced by entrepreneurs	Discussion with participants for their reactions about the camp, (Including factory visit)

Guest Lecture on "Critical Role of 5-G in Health Care Treatment"

A Guest Lecture on "Critical Role of 5-G in Health Care Treatment" By Dr. Shrutika Bhargava Choubey, Sreenidhi Institute of Science and Technology, Hyderabad was organised by the Department of Electronics & Telecommunication Engineering, Jagadamba College of Engineering & Technology, Yavatmal on 12th July 2020 from 11:00 AM to 12:30 PM in online mode (Free conference call App.) for the students of Second, Third & Final Year of the Department. The lecture was attended by 74 Students and 10 Faculty members of college.

The Guest Speaker was heartily welcomed by Prof. D. B. Pohare, Assistant Professor, Electronics & Telecommunication Engineering Department and also welcomes all the attendees gathered for the Guest Lecture. Prof. D. B. Pohare, given the brief introduction of the Guest. Dr. Shrutika Bhargava Choubey Associate professor in Electronics & Communication Engineering department. She has completed Ph.d. from Dr. K. N. Modi University, Newai, Rajasthan, India, 2015 and M.Tech in Digital Communication, Rajiv Gandhi Prodyogiki Vishwavidyalaya, Bhopal (M.P.), India, 2010. She has published 3 books and books chapters in Rishabh Instrumentation Pvt. Limited as a Product Design Engineer. She is 12 + Years of teaching experience. She has published research papers in International and National Journals and also attended workshops and conferences.

The vote of thanks was given by Prof. S. D. Kale, Assistant Professor, E&TC Engineering Department.

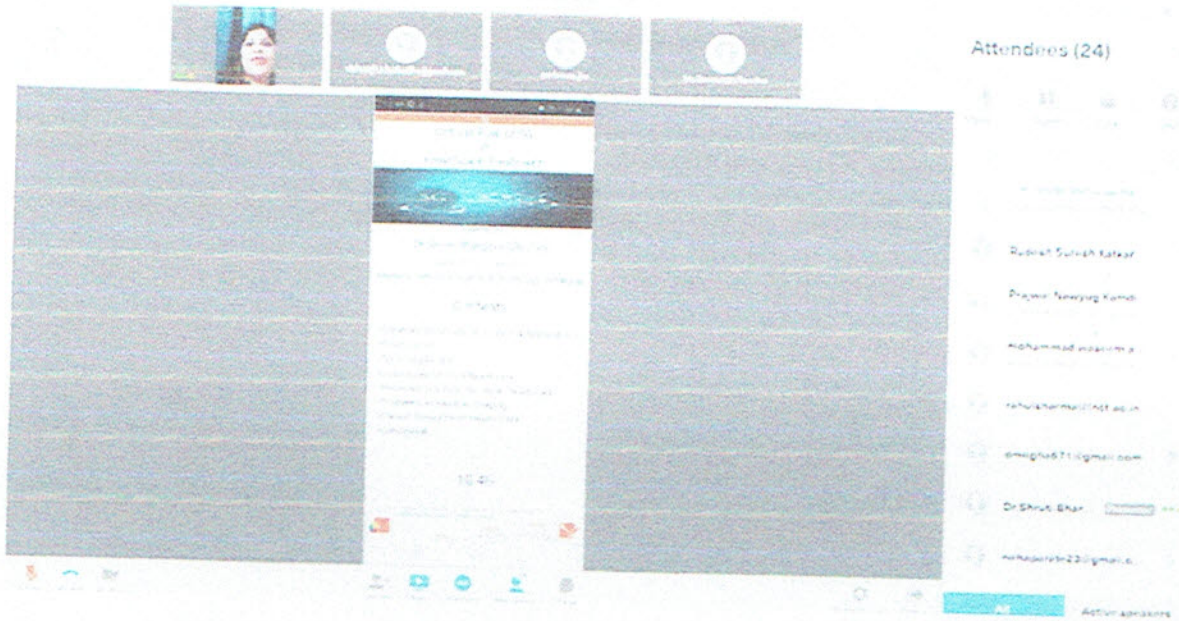

The lecture helped to students to understand the Critical Role of 5-G in Health Care Treatment

5	Time	11.00 am to 1.00 pm & 1.30 pm to 2.30 pm
6	Objective of Activity	<ol style="list-style-type: none"> 1. The scheme provides core research support to active researchers to undertake research and development in frontier areas of Science and Engineering. 2. To provide research grant for young TEQIP faculties recruited in different TEQIP institutes so as to collaborate for research and build research community.
7	Venue	Online Mode

A webinar on “Research grant scheme and funding scheme for researchers” by the Dr. Mahesh Kumar Porwal, Dean (R&D), organized by the Department of Electronics & Telecommunication Engineering, Jagadambha College of Engineering & Technology, Yavatmal on 21st July 2020 from 11:00 AM to 12:30 PM in online mode for the students of Second, Third & Final Year of the Department. The lecture was attended by 72 Students and 12 Faculty members of college.

The Guest Speaker was heartily welcomed by Prof. V. K. Barbudhe, Assist. Professor, E&TC Engg. Deptt. and also welcomes all the attendees gathered for the Guest Lecture. Prof. V. K. Barbudhe, given the brief introduction of the Guest Dr. Mahesh Kumar Porwal, Dean (R&D), Sree Chaitanya College of Engineering, Karimnagar, Telangana,

The speaker shared his magnificent knowledge about the CRG scheme provides research support to an individual researcher or a group of researchers working in a recognized academic institution or national laboratory or in any other recognized R&D institution in India. To support innovation & research across institutes with collaboration among TEQIP Faculty, Regular faculty of Project institutions (focus and non-focus) & Premier institutions of the country.

The webinar was further enlightened by the interesting questions answer session in the last which gave true colors to the webinar and gave chance to young innovators to speak their doubts regarding innovation and its protection.

The vote of thanks was given by Prof. D. B. Pohare, Assistant Professor, E&TC Engineering Department.

Session 1- 11.30 AM to 1 PM

Dr. Maheshkumar Porval delivered the contents on the following topics

- Eligibility
- Duration of the Project
- Limit of Funding
- Disbursement of the funds.

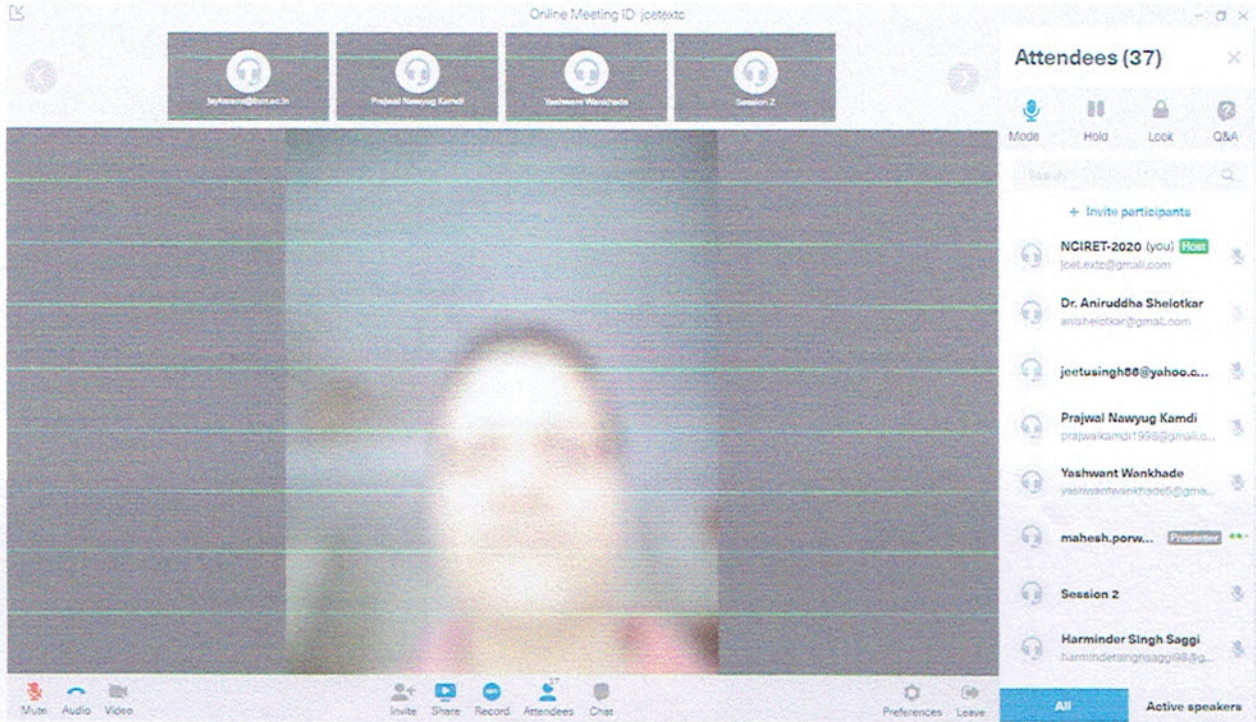

Session 2- 1.30 AM to 2.30 PM

Dr. Maheshkumar Porval delivered the contents on the following topics

- Processing Methodology
- Terms and conditions
- Attachments

“Intellectual Property Rights By Dr Jaykaran Singh”

JAGADAMBHA
COLLEGE OF ENGINEERING & TECHNOLOGY, YAVATMAL

Arni Road, Yavatmal - 445001 (M.S.)

Ph. 07232-244226, Fax : 07232-244226, Cell : 98 5005 3333

E-mail : principal.jcoet@gmail.com, principal@jcoet.org

Website : www.jcoet.org

A Guest Lecture on “Intellectual Property Rights” By Dr.Jaykaran Singh LNCT Engg.College,Bhopal was organised by the Department of Electronics & Telecommunication Engineering, Jagadambha College of Engineering & Technology, Yavatmal on 15th September 2020 from 11:00 AM to 12:30 PM in online mode (Free conference call App.) for the students of Second, Third & Final Year of the Department. The lecture was attended by 184 Students and 17 Faculty members of college.

The Guest Speaker was heartily welcomed by Prof. S.D.Kale, Assistant Professor, Electronics & Telecommunication Engineering Department and also welcomes all the attendees gathered for the Guest Lecture. Prof. S.D.Kale, given the brief introduction of the Guest Dr.Jaykaran Singh, professor in Electronics & Communication Engineering department. He has 25 research articles published in journals including three in Scopus indexed journal. He has 16 + Years of teaching experience.

The speaker shared his magnificent knowledge and experience in the Patents and Intellectual Property Rights where he guided students about drafting the patents and what actually can be patented. This vast information regarding the field is essential in today's world where innovation led Start-Up's count every second. It is essential for the participants engaged in developing new concepts and products who should protect their ideas by patenting them or choosing suitable Intellectual Property Rights.

The contents covered by him were the basics forms of IPR. He covered about copyrights, Trademarks and Patents by giving various real life examples. He also talked about various brands and gave knowledge about the salient features of IPR. He explained what can be patented and what cannot be patented as per rules. He talked about the terminology /jargons used in IPR.

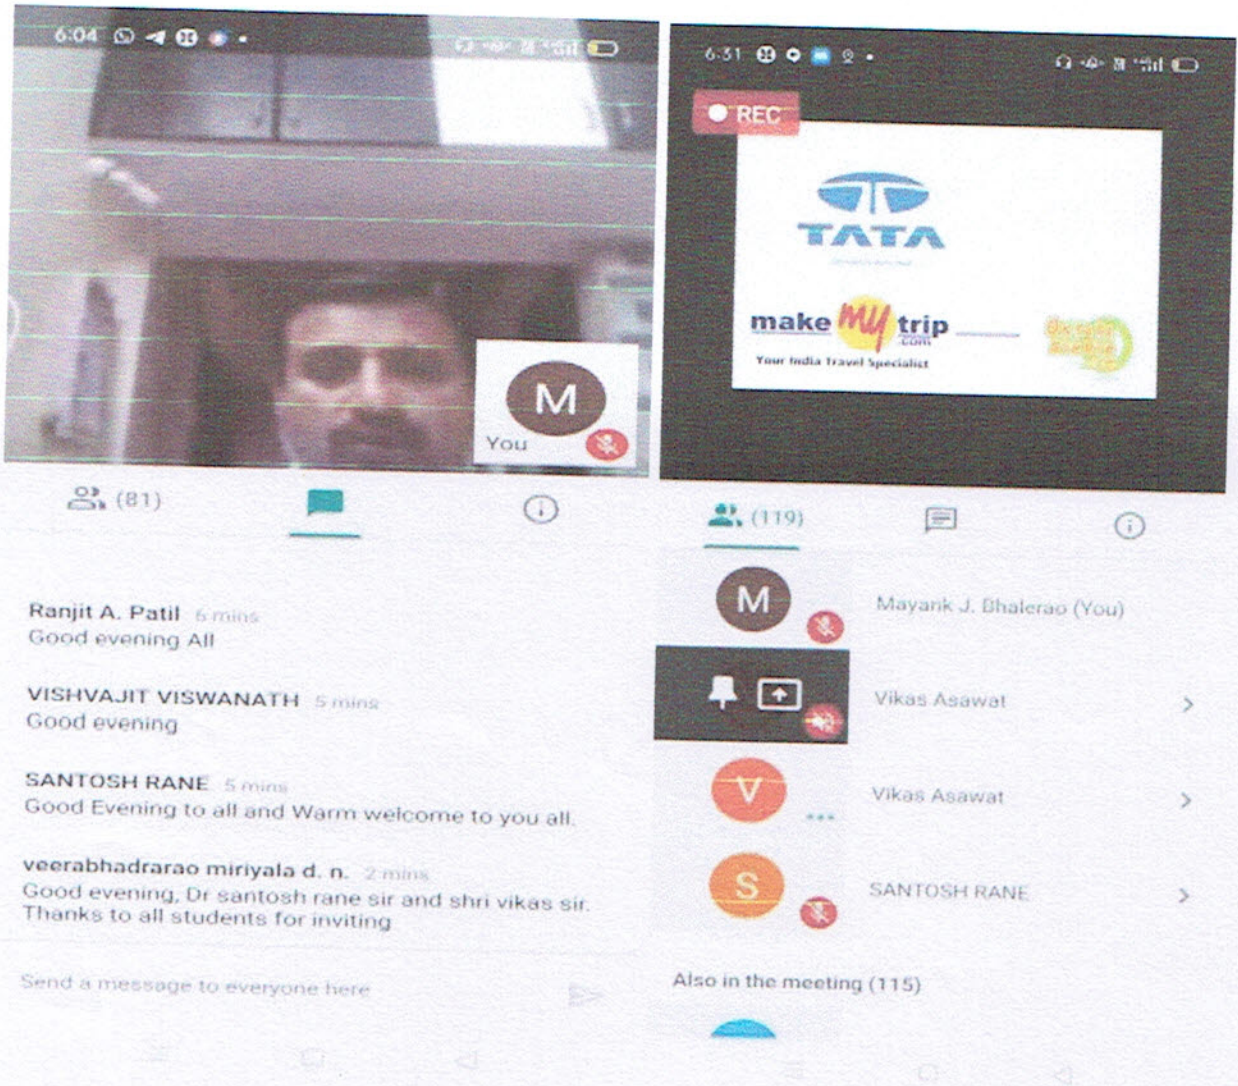

The webinar was further enlightened by the interesting questions answer session in the last which gave true colors to the webinar and gave chance to young innovators to speak their doubts regarding innovation and its protection.

The vote of thanks was given by Prof. D. B. Pohare, Assistant Professor, E&TC Engineering Department.

Webinar
On
“Intellectual Property Rights”
Organized by
Jagadambha College of Engineering & Technology, Yavatmal
Academic Year: - 2020-21

1	Title of Activity	Intellectual Property Rights
2	Speaker	Dr. Ashish Lambat from Sevadal Mahila Mahavidyalaya Nagpur
3	Co-Ordinator	Prof. A. A. Kolpyakwar
4	Date of Activity	15 th October 2020
5	Time	11.00 am to 1.00 pm & 1.30 pm to 2.30 pm
6	Objective of Activity	To enable the participants, the purposes of protection granted to creators of innovative intellectual creations. Intellectual property (IP) rights serve the important purpose of ensuring that creators will be recognized for their efforts and protected from infringement.
7	Venue	Online Mode

An important initiative has been taken by Jagadambha College of Engineering & Technology, Yavatmal. To motivate the Students to enhance the research skills and their works are protected, creators are more likely to come up with more new creations. As such, IP also helps to promote creativity and innovation. For the fulfillment of this activity Jagadambha College of Engineering & Technology organized “One Day Webinar on Intellectual Property Rights” In this workshop total 54 faculty members and 184 Students participated.

On dated 15/10/2020, The Inaugural Program of online workshop on Research Methodology has been organized in online mode. This Program was organized by Jagadambha College of Engineering & Technology , Yavatmal & The Expert for this program was Dr. Ashish Lambat from Sevadal Mahila Mahavidyalaya Nagpur.

The Dignitaries for the Inauguration of one day online workshop Dr. S. A. Watile Secretary JBGVS Yavatmal, Prof. A. A. Kolpyakwar, Co-ordinator of this workshop, along with all head of departments, participants and staff members was present. Prof. A. A. Kolpyakwar (Workshop Co-ordinator) had given the brief introduction of Keynote Speaker Dr. Ashish Lambat. The Inauguration function ended by proposing vote of thanks. After that all faculties and participants proceeded for workshop.

Session 1- 11.30 AM to 1 PM

Dr. Ashish Lambat delivered the contents on the following topics

- Literary works
- Artistic works
- Scientific works
- Broadcasts

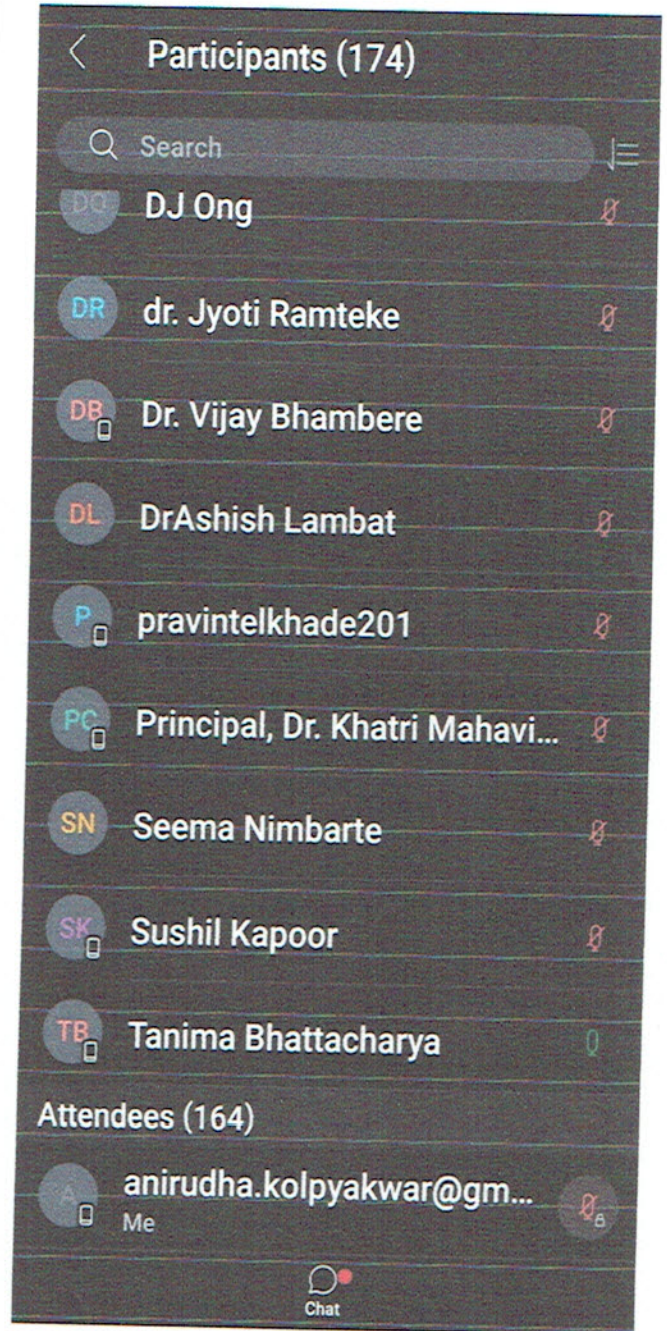

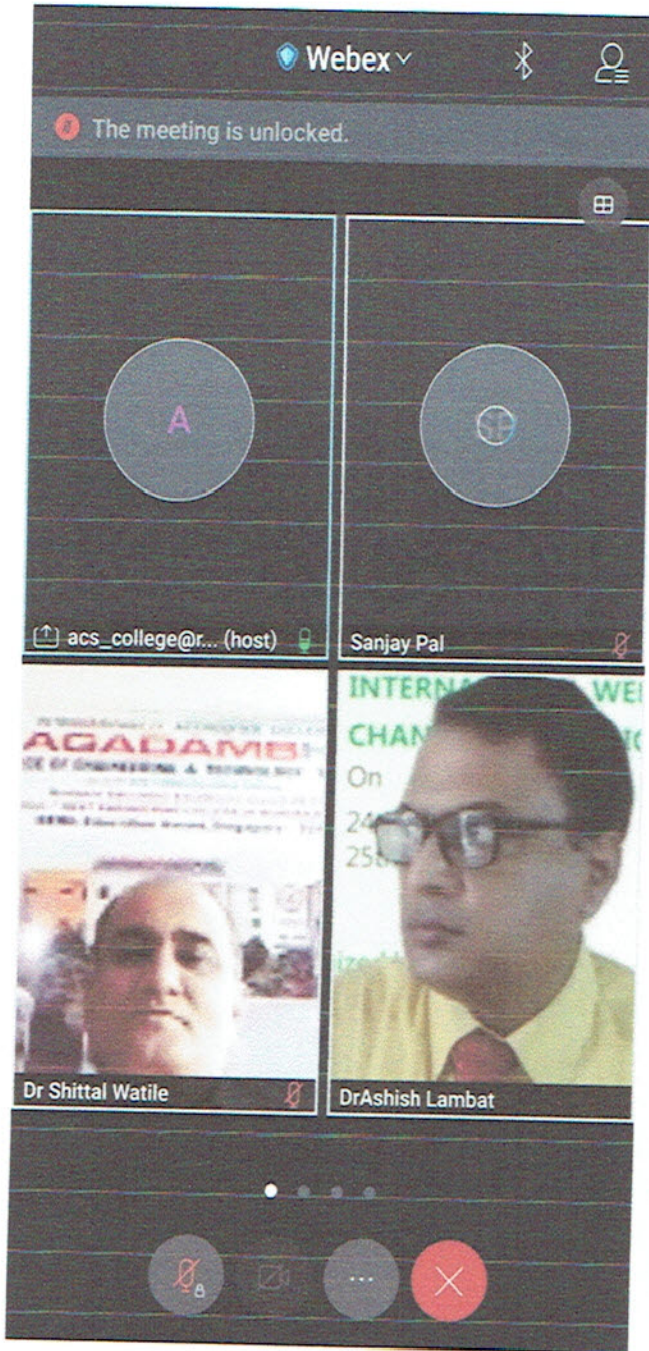

Session 2- 1.30 AM to 2.30 PM

Dr. Ashish Lambat delivered the contents on the following topics

- Patents
- Copyrights
- Trademarks
- Service marks
- Trade secrets

Participants attending the session

For this one day online workshop Prof. A. A. Kolpyakwar (Workshop Co-ordinator) and all the faculty members took lots of efforts for the successful execution of the event.

Participants attending the live lectures conducted on Cisco Webex Platform. The Coordinators, Teaching Faculty and Non Teaching Faculty, Students of all Departments worked hard during this workshop. Workshop material is released under Open Source. The contents can be freely used later by all teachers, Researchers and other learners.

Guest Lecture on “Electrical Vehicles in India : Prospects & Challenges”

A Guest Lecture on “**Electrical Vehicles in India : Prospects & Challenges**” By Mr. Siddhant Gudhe, Ph.D. Scholar at NIT, Bhopal was organised by the Department of Electronics & Telecommunication Engineering, Jagadambha College of Engineering & Technology, Yavatmal on 10th November 2020 from 11:00 AM to 12:30 PM in online mode (Freeconferencecall App.) for the students of Second, Third & Final Year of the Department. The lecture was attended by 26 Students and 6 Faculty members of Electronics & Telecommunication Engineering.

The Guest Speaker was heartily welcomed by Prof. D. B. Pohare, Assistant Professor, Electronics & Telecommunication Engineering Department and also welcomes all the attendees gathered for the Guest Lecture. Prof. D. B. Pohare, given the brief introduction of the Guest. Mr. Siddhant Gudhe is currently Ph. D. Research Scholar at National Institute of Technology, Bhopal. HE has completed B. Tech. in Electrical Engineering from Walchand College of Engineering, Sangali and M. Tech. in Power Electronics & Power Systems from Sardar Patel College of Engineering, Mumbai. He has worked in Rishabh Instrumentation Pvt. Limited as a Product Design Engineer. He is also having 2 Years of teaching experience, also worked as Assistant Professor in Electrical Engineering Department at Government College of Engineering, Amravati and Jagadambha College of Engineering and Technology, Yavatmal. He has published research papers in International and National Journals and also attended workshops and conferences.

The vote of thanks was given by Prof. D. B. Pohare, Assistant Professor, E&TC Engineering Department.

As per the feedback received from the participants. It was a very good learning experience. The lecture helped them to understand the scope of Electric Vehicles in India, What are the prospects and challenges in electric vehicles for maintaining a Green Environment.

Pulse Analog Modulation
By
Prof. S. S. Ayane
Asst. Prof. Department of E&T, PCCOE, Nptl, Pune

Natural samples, quantized samples & pulse code modulation

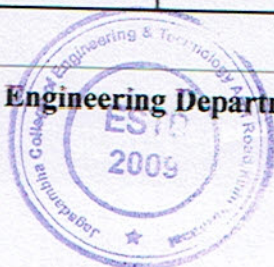

Sample	1	2	3	4	5	6	7	8	9	10
Natural samples (mV)	1.0	0.8	0.5	0.2	-0.2	-0.5	-0.8	-1.0	-0.8	-0.5
Quantized samples (mV)	1.0	0.8	0.5	0.2	0.0	-0.2	-0.5	-0.8	-0.5	-0.2
Pulse (mV)	1.0	0.8	0.5	0.2	0.0	-0.2	-0.5	-0.8	-0.5	-0.2

Uniform and Nonuniform Quantization

- When the step size of the quantize interval are uniform in size, the quantization is known as uniform quantization.

Differential Pulse-Code Modulation (DPCM)

In DPCM instead of sending each quantized sample value, the difference between Present sample value and previous sample value is quantized and encoded.

Workshop on “Entrepreneurship Awareness Program”
Organized by Jagadambha College of Engineering & Technology Yavatmal
Academic Year: - 2020-21

1. Title of Activity	One Day Online Workshop on “Entrepreneurship Awareness Program”
2. Speaker	Mr. Milind Thosar
3. Date of Activity	05/12/2020
4. Time	11.30 to 1 PM & 1.30 PM to 2.30 PM
4. Objective	<ul style="list-style-type: none">● To get the knowledge about How to start any business? Where to start any business and how to do it.● Self Personality development in the beginning of any business.● Information of District Industrial Centre (DIC)
5. Venue	Online Mode
6. No. of Beneficiary	260 Students

Syllabus:

- 1) To Understand Entrepreneurship and its Importance.
- 2) For knowledge with respect to business and its Opportunities.
- 3) How to start Business in a city and in a village?
- 4) Development of Personality. Importance of Personality development while starting a business.
- 5) Information of District Industrial center.
- 6) To Know about SSI unit Process of Registration.
- 7) Introduction about technical terms used in any business.

Brief Report

In Jagadambha College of Engineering & Technology, Yavatmal we have organized a one day workshop for Final Year students across all branches were conducted by Expert under guidance of Mr. Milind Thosar on dated 05/12/2020.

The objective of this program is, "To create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option."

On dated 05/12/2020, The Inaugural Program of One Day Online Workshop on "Entrepreneurship Awareness Program" has been organized in online mode by JCET -Jagadambha College of Engineering &Tech. Yavatmal.

The Dignitaries for the Inauguration of workshop Dr.S.A.Watile Secretary JBGVS Yavatmal, Prof. S. D. Kale Workshop Coordinator, Expert Mr. Milind Thosar Sir having practical experience of 20 years in different companies and nations e.g. Kareyn--Dehradun--Uttaranchal, Maharashtra seamless limited--Jindal--Nagothane--Mumbai, Welspun-Gandhidham--Gujarat, Libyan Iron and steel Factory--Misurata--Libya, Global Pipe Company--Jubail--Saudi arabia, ADPICO--Abu Dhabi--UAE along with all heads of departments, participants and staff were present. After that function proceeded through the welcome ceremony of all dignitaries. Prof. S. K. Wagh (workshop co-coordinator) had given the brief introduction of One Day Online Workshop on "Entrepreneurship Awareness Program" & Keynote Speaker Milind Thosar Sir. The Inauguration function ended by proposing a vote of thanks by the hands of Prof. S. D. Kale Workshop Coordinator. After the guest, faculties and participants proceeded for the workshop.

Mr. Milind Thosar delivered the knowledge about,

- * Public Speaking
- * Art of Listening
- * Speech Craft
- * Leadership Skill
- * Motivational Speech
- * Entrepreneurship awareness

Schedule for Entrepreneurship Awareness Program:

Session I			Session II	
Inauguration- Camp Objective, Entrepreneurship (general concepts only)	Historical background - Indian values vis-a-vis Entrepreneurship and the present scenario	B R E A K	Identification of opportunities for entrepreneurs	Mechanism of product selection and technology- assistance from R&D labs and others on choice of technology etc
How to start a SSI unit (General concept about the Govt. formalities, rules & regulation, location, and different aspect of an industrial Venture.)	Tech. & commercial Aspects of SSI unit (General concept only)		Financial aspects of SSI unit including salient features of a project report	Support and financial assistance from Govt. agencies, banks, financial institutions, SFCs and others- securities demanded by FIs/banks etc
Creativity and business- the man behind the venture - the behavioral scientist's approach	Communication skills (interacting with people) for better results		Lectures by practicing entrepreneur's success stories- common problems faced by entrepreneurs	Discussion with participants for their reactions about the camp, (Including factory visit)

The screenshot shows a Zoom meeting interface. The main content is a slide titled "Entrepreneurship Development Institute of India (EDII)" with the following bullet points:

- Develops programmes for entrepreneurial training and development
- Develops innovative training techniques for trainers
- Focused attention on women entrepreneurs with first such EDP in 1988
- EDP for rural entrepreneurship development in U.P and Orissa
- Famous for organising camps on entrepreneurship
- Conducted EDP in Sri Lanka, Nepal, Ghana, Kenya etc

The slide is displayed in a dark blue theme. To the right of the slide is a grid of participant avatars. The bottom of the screen shows the Zoom control bar with icons for mute, video, chat, and other functions. The time and meeting ID "12:46 pm | vay-pjet-xqa" are visible in the bottom left corner.

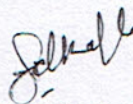

For this workshop Prof. S. D. Kale (Workshop Co-ordinator) along with Co-coordinators Prof. Prof. S. K. Wagh and all the faculty members took lots of efforts for the successful execution of the event.

Participants attending the live lectures conducted on Google Meet Platform. Participants attend live lectures in online mode. In order to run this workshop in online mode we had invited expert to deliver the session on Entrepreneurship Awareness Program. The Coordinators, Teaching Faculty and Non Teaching Faculty, Students of all branches worked hard during this workshop. All the workshop material is released under Open Source. The contents can be freely used later by all teachers, Researchers and other learners.

An important initiative has been taken by Jagadambha College of Engineering & Technology, Yavatmal. To motivate the students to enhance the research skills and to learn new methodologies & practical concepts. For the fulfillment of this activity Jagadambha College of Engineering & Technology organized “One Day Workshop on “Basics of Python” In this workshop total 12 faculty members and 128 Students participated.

On dated 5/01/2021, The Inaugural Program of online workshop on Internet of Things IOT & Applications has been organized. This Program was organized by Jagadambha College of Engineering & Technology; Yavatmal & The Expert for this program was Omkar Kekere Trainer Tech walnut Innovations LLP Logic Shala.

The Dignitaries for the Inauguration of one day online workshop Dr.S.A.Watile Secretary JBGVS Yavatmal, Prof.S.A.Murab, HOD Comp.Engg. Department & Co-ordinator of this workshop, along with all head of departments, participants and staff members was present. Prof. A. A. Kolpyakwar (Workshop Co-coordinator) had given the brief introduction of Keynote Speaker Omkar Kekere. The Inauguration function ended by proposing vote of thanks by the hands of Prof.S.A.Murab(Workshop Co-ordinator). After that all faculties and participants proceeded for workshop.

Session 1- 11.30 AM to 1 PM

Mr. Omkar Kekere delivered the contents on the following topics

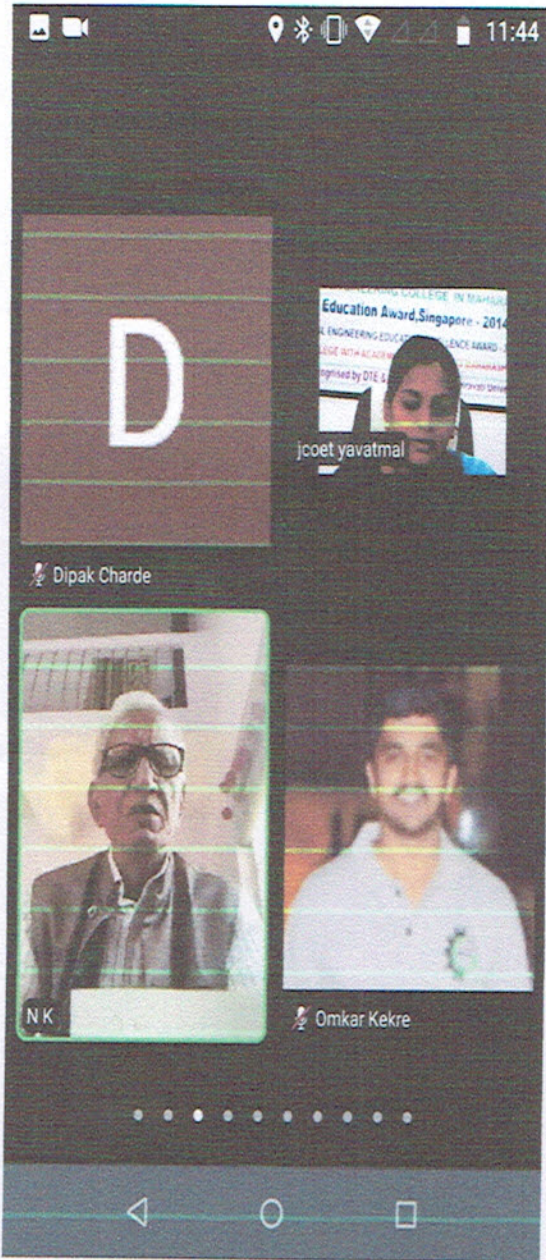

- How to Install Python on Windows [Pycharm IDE]
- Create Your First Python Program
- How to Print in Python with Examples
- How to Define/Declare String Variable Types

Session 2- 1.30 AM to 2.30 PM

Mr. Omkar Kekere delivered the contents on the following topics

- Pack, Unpack, Compare, Slicing, Delete, Key
- Update, Cmp, Len, Sort, Copy, Items
- How to Add Key/Value Pair
- Arithmetic, Logical, Comparison, Assignment, Bitwise & Precedence
- Python Not Equal (!=) Operator with Examples
- Create, Reverse, Pop with Python Array Examples
- Python 2D Arrays: Two-Dimensional List Examples

The Inauguration function ended by proposing vote of thanks by the hands of Prof.S.A.Murab(Workshop Co-ordinator). After that all faculties and participants proceeded for workshop.

Session 1- 11.30 AM to 1 PM

Mr. Ashish Labade delivered the contents on the following topics

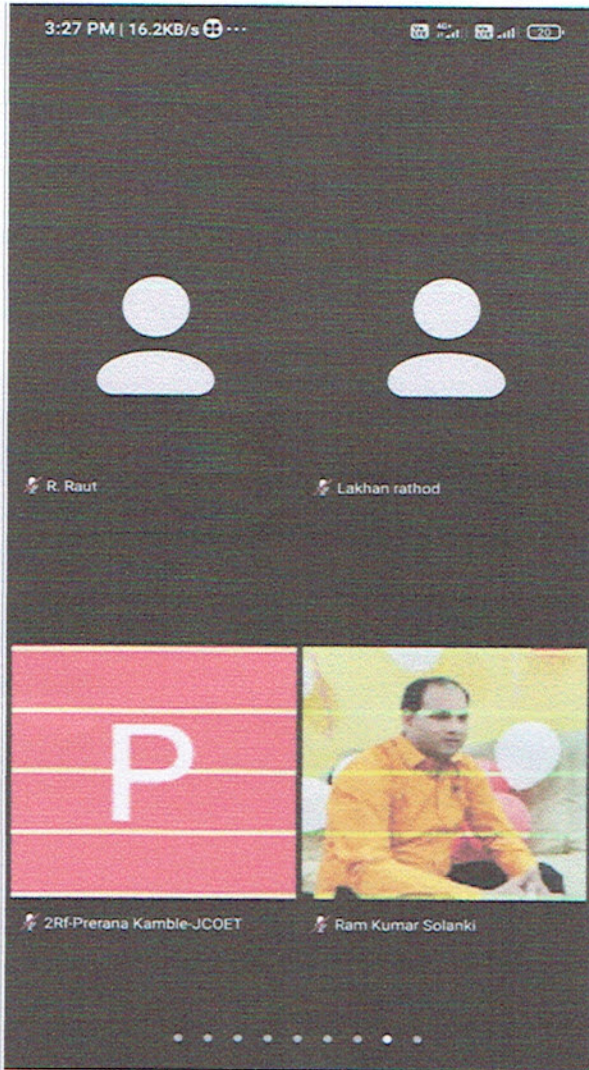

- Working with provided hardware kit components & study
- Breadboard connections
- Study of Arduino IDE
- Library integration through Github

Session 2- 1.30 AM to 2.30 PM

Mr. Ashish Labade delivered the contents on the following topics

- Introduction to IOT, IOT Basics, Technologies & Protocols used in IOT
- IOT Hardware Boards, Sensors & Modules
- Realtime IOT Projects Development, IOT with Android &
- Web Api, Security & Productivity Information, Veganism

**One Day online Webinar
On
“E-Waste Management”
Organized by
Jagadambha College of Engineering & Technology, Yavatmal
Academic Year: - 2020-21**

1	Title of Activity	E-Waste Management
2	Speaker	Ms.Dhanashree Patil
3	Co-Ordinator	Prof. S.D.Kale
4	Date of Activity	21 st December 2020
5	Time	2.00 am to 3.00 pm & 3.30 pm to 4.30 pm
6	Objective of Activity	1. To reduce, reuse, and recycle. Some of the e-waste consists of valuable covering or materials inside which can be reused or recycled. Whereas some of the e-waste may contain hazardous chemical materials which should be disposed of carefully without causing harm to nature.
7	Venue	Online Mode

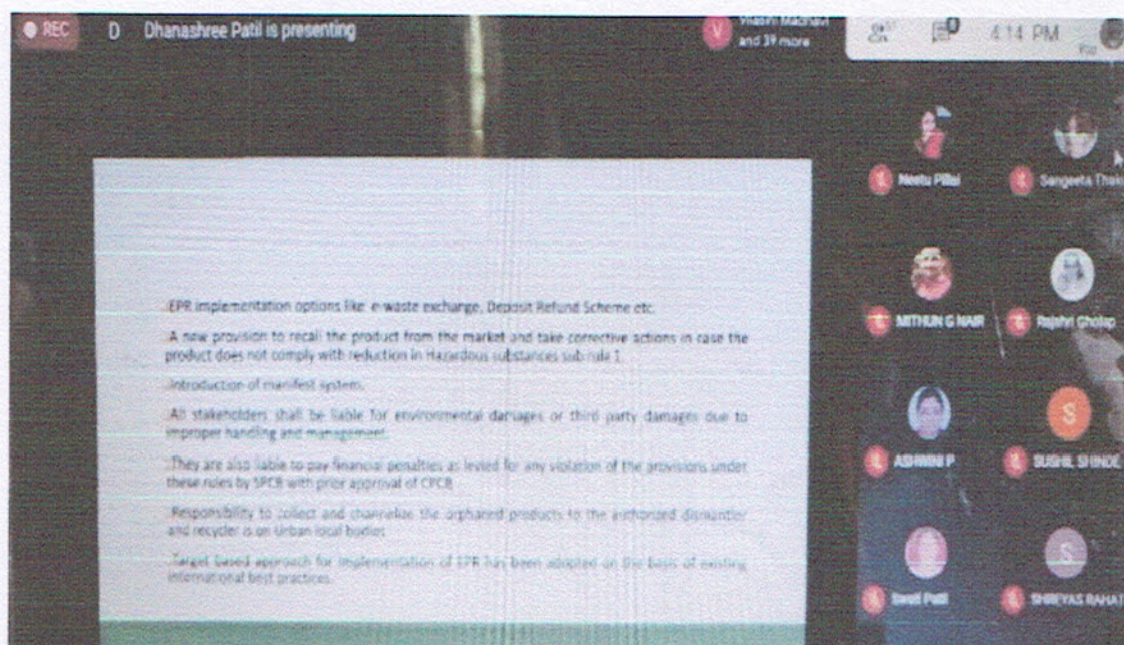

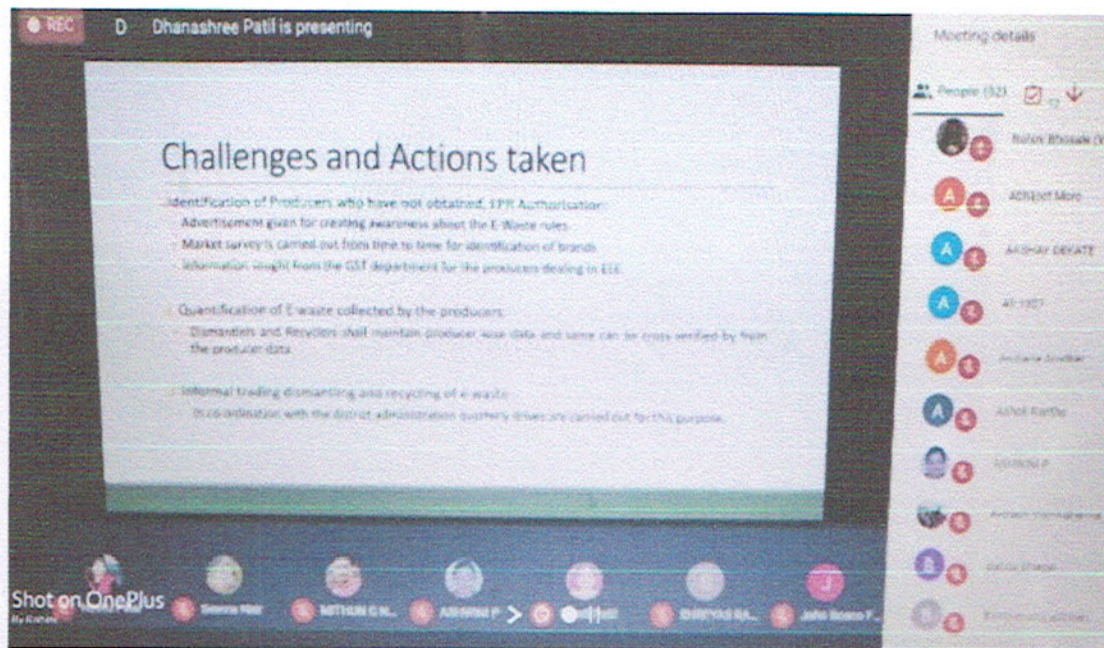

A webinar on “E-Waste Management” by Ms.Dhanashree Patil, Sub Regional Officer, Maharashtra Control Board, was organised by the Department of Electronics & Telecommunication Engineering, Jagadambha College of Engineering & Technology, Yavatmal on 21st December 2020 from 2:00 AM to 4:30 PM in online mode (Free conference call App.) for the students of Second, Third & Final Year of the Department. The lecture was attended by 92 Students and 12 Faculty members of college.

The Guest Speaker was heartily welcomed by Prof. S. D. Kale, Assist. Professor, E&TC Engg. Deptt. and also welcomes all the attendees gathered for the Guest Lecture. Prof. S. D. Kale, given the brief introduction of the Guest Ms.Dhanashree Patil, Dean Sub Regional Officer, Maharashtra Control Board.

In this webinar she explained that integrated waste management is the best practice to dispose of the E-waste .She also discussed about the safe disposal of E-waste in scientific manner and emphasized on safe disposal of e-waste at authorized recycle centers.In her session she explained various effects induce by e-waste on our health and environment.

The session was very interactive and participants participated enthusiastically. Participants were enlightened with the knowledge of resource person on e-waste management. Ms.Dhanashree Patil Education , Sub Regional Officer, Maharashtra Control Board, Sion was invited as the resource person for the webinar. She has 5 years industry experience. Currently she is working as Sub Regional Officer in Maharashtra Pollution Control Board. She works with Electronic Waste Management division of MPC Board. Total 92 students and faculty participated in the session.

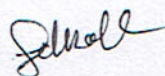

Various topics were unfolded by the eminent during the webinar. The following are some of the topics discussed in the session by the speaker:

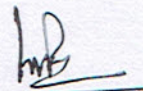

1. What is e-waste
2. Sources of e-waste
3. Effects of e-waste on the environment
4. Effects of e-waste on the environment
5. E-waste Management Rules, 2016
6. Roles and responsibility of shareholders

The webinar was further enlightened by the interesting questions answer session in the last which gave true colors to the webinar and gave chance to young innovators to speak their doubts regarding innovation and its protection.

The vote of thanks was given by Prof. D. B. Pohare, Assistant Professor, E&TC Engineering Department.

1	Title of Activity	Basics of AutoCAD
2	Speaker	Mr. Pravin Jadhav (Managing Director of F6 Design & Training Solutions)
3	Co-Ordinator	Prof. A. M. Shende
4	Co-Cordinator	Prof. S. S. Bele
5	Date of Activity	12/02/2021
6	Time	11.00 am to 1.00 pm
7	Objective of Activity	To enable the participants for development, modification, and optimization of the design process. AutoCAD provides tools to design the software used in the industry, architectures and project management.
8	Venue	Online Mode

An important initiative has been taken by Jagadambha College of Engineering & Technology, Yavatmal. To enable the participants for development, modification, and optimization of the design process. AutoCAD provides tools to design the software used in the industry, architectures and project management. For the fulfillment of this activity Jagadambha College of Engineering & Technology organized “Webinar on Basics of AutoCAD” In this webinar 110 Students participated.

On dated 12/02/2021, The Inaugural Program of online webinar on AutoCAD has been organized in online mode. This Program was organized by Jagadambha College of Engineering & Technology, Yavatmal & The Expert for this program was Mr. Pravin Jadhav from F6 Design & Training Solutions Nagpur.

The Dignitaries for the Inauguration of one day online webinar Dr. V. L. Bhambere, HOD Mech. Engg. Department & Co-ordinator of this webinar, along with all head of departments, participants and staff members was present. Prof. S. S. Bele (Webinar Co-coordinator) had given the brief introduction of Keynote Speaker Mr. Pravin Jadhav. The Inauguration function ended by proposing vote of thanks by the hands of Prof. A. M. Shende (Webinar Co-ordinator). After that all faculties and participants proceeded for webinar.

Expert of the webinar, Mr. Pravin Jadhav who is director of F6 Design & Training Solutions Nagpur. Expert rendered his expertise to all Modules of AutoCAD on effective use of subjective knowledge.

Some of the topics discussed during Webinar: Basic knowledge of AutoCAD: Welcome to the world of CAD - In this first tutorial you will be learning the very basics of AutoCAD. This course was designed so that the commands and instructions should work on almost any version of AutoCAD, although this version was designed specifically for AutoCAD 2019 and will work with older versions. By the end of this level, you will have the skills to develop basic 2D drawings and print them out to scale.

8	Venue	Online Mode

Jagadambha Collge of Engineering and Technology, Yavatmal NSS cell has Organizing awareness programme on Education for Every One in our college. All the HODs, teaching, non teaching and students participated in this programme

A REPORT ON EDUCATION FOR EVERY ONE

The principal said few words on Education for Everyone if we want to live in a peaceful and happy society we should provide children, with good education. He reiterated that everyone should try to encourage children who are in need of our support, in need of books and teachers. He said that each student in his free time must teach the needy students who cannot afford good education. He gave some quotes on education. There are Literacy is a bridge from misery to hope. Education is the most powerful weapon with which you can change the world. Let us remember: One book, one pen, one child, and one teacher can change the world. He also gave some slogans on education. Education makes a door to bright future. And education is the one of the birth rights of children. Closing his speech he made the participants promise that they would educate every child in his neighborhood.

“Awareness Programme on Disaster Management”
Organized by
Jagadambha College of Engineering & Technology, Yavatmal
Academic Year:-2020-21

1	Title of Activity	Awareness Programme On Disaster Management
2	Speaker	Red Cross Society
3	Co-Ordinator	Prof. P. S. Wankhade
4	Co-Cordinator	Prof. R.M Raut
5	Date of Activity	23 rd January 2021
6	Time	1.30 PM to 2.30 PM
7	Objective of Activity	This Program helps to recognize the vulnerabilities faced by the poor, marginalized and the disproportionate impact of disasters endured by them in the developing world.
8	Venue	Civil Seminar Hall, JE, Yavatmal

The Yavatmal unit RED CROSS society has organized disaster management programme on 23rd January 2021 for all 3rd and 4th year students. This integrated programme defines humanitarian response within the framework of an understanding of development, with vulnerability and disaster risk reduction as an integral part of development.

This programme recognizes the vulnerabilities faced by the poor ,marginalized and the disproportionate impact of disasters endured by them in the developing world. In this programme, the study of disaster risk reduction, disaster response and post-disaster recovery will be grounded in the values of justice, equity and social inclusion. Students got benefit from this awareness programme on disaster-management

“Awareness Programme on Save Energy (LED Bulbs)”

Organized by

Jagadambha College of Engineering & Technology, Yavatmal

Academic Year:-2020-21

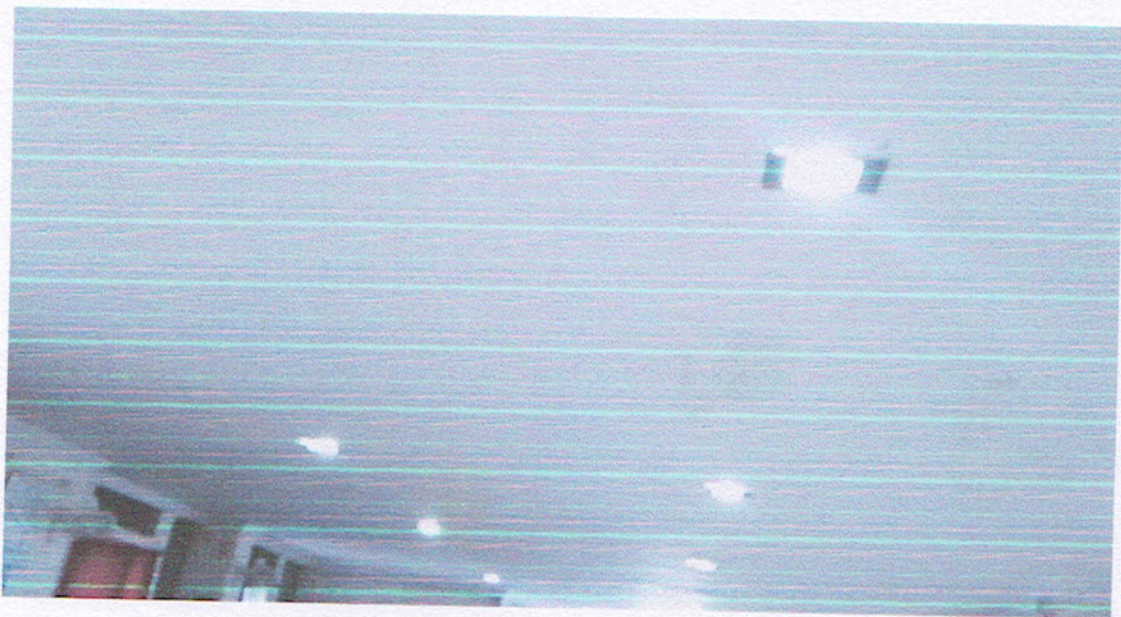

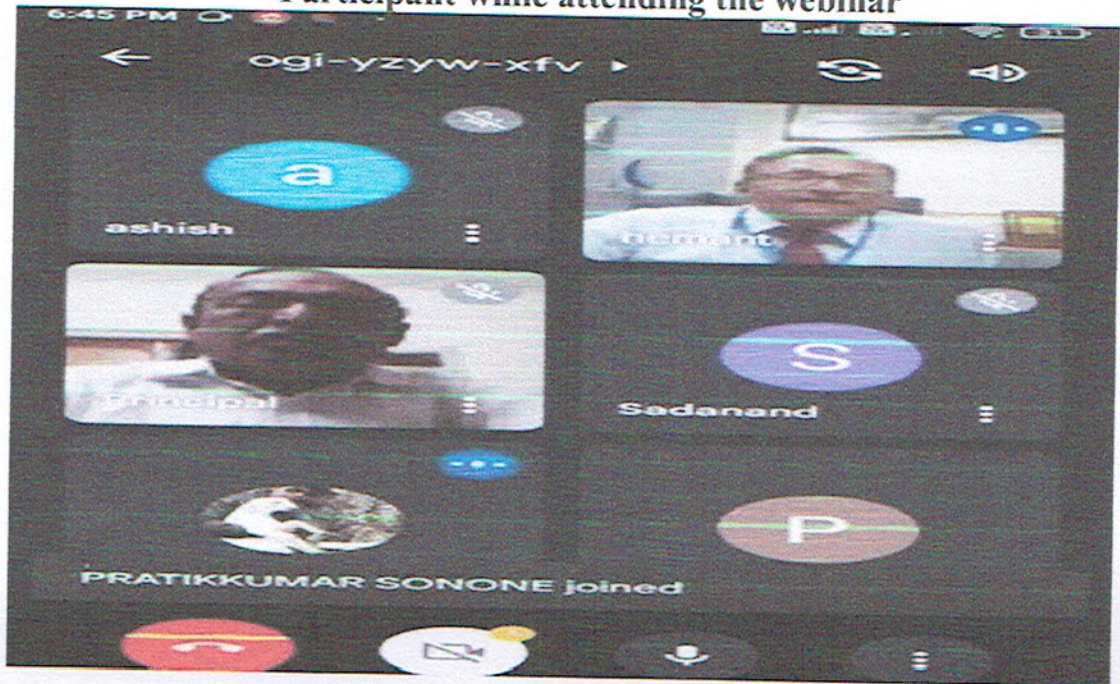

1	Title of Activity	Awareness Programme on Save Energy (LED Bulbs)
2	Speaker	Dr. H. M. Baradkar
3	Co-Ordinator	Prof. P.S. Wankhade
4	Co-Cordinator	Prof. A.A. Zade
5	Date of Activity	08 th February 2021
6	Time	12.30 PM to 2.30 PM
7	Objective of Activity	This activity helps for saving electricity, also it is having long life span, design flexibility and operate on low voltage.
8	Venue	Online mode

Jagadambha Collge of Engineering and Technology Yavatmal NSS cell has organized awareness programme on LED Bulbs in our college campus on 08th February 2021 .The programme has commenced with our Principal Dr. H.M Baradkar, with his introductory remarks. In this programmed all heads of the departments, staff Members and students have participated.

Taking care of the environment is a responsibility that everyone should feel accountable for. Most of us are already aware of environmentally friendly processes such as recycling to minimize the amount of waste we produce and reduce our carbon footprint. However, a lot of people are unaware of new and upcoming technologies that we can use to help reduce carbon emissions. A good example of this is LED lighting; LED lights are up to 80% more efficient than traditional lighting such as fluorescent and incandescent lights. 95% of the energy in LEDs is converted into light and only 5% is wasted as heat. This is compared to fluorescent lights which convert 95% of energy to heat and only 5% into light! LED lights also draw much less power than traditional lighting; a typical 84 watt fluorescent can be replaced by a 36 watt LED to give the same level of light. Less energy use reduces the demand from power plants and decreases greenhouse gas emissions which provide many environmental advantages.

Jagadambha College of Engineering & Technology, Yavatmal
Academic Year:-2020-21

1	Title of Activity	Awareness Programme On Swachh Bharath
2	Speaker	Dr. H. M. Baradkar
3	Co-Ordinator	Prof. P.S. Wankhade
4	Co-Cordinator	Prof. S.K. Wagh
5	Date of Activity	02 March 2021
6	Time	12.30 PM to 2.30 PM
7	Objective of Activity	This activity helps to save the endangered environment and to beautify our life.
8	Venue	Civil Seminar Hall, JE, Yavatmal

Jagadambha College of Engineering and Technology Yavatmal NSS cell has organized “Swachh Bharath” event on 02 March 2021. NSS Student volunteers have visited our campus and cleaned entire campus with the motto of save the environment and created awareness on tidiness .All HODs, teaching, staff and students have participated in this program. Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India.

A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019,” said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission is synonymous with national movement. While leading the campaign for cleanliness, the Prime Minister exhorted people to fulfill Mahatma Gandhi’s dream of a clean and hygienic India. Shri Narendra Modi himself initiated the cleanliness drive at Mandir Marg Police Station.

Student participation in Swachh Bharath

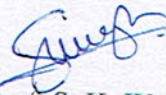

Student participation in Swachh Bharath

Being home to the world's second-largest population, it is needless to say that cleanliness is deeply interlinked with the nation's tourism and global interests. For developing tourism and enhancing the nation's GDP, it is important and vital to keep high standards of hygiene and cleanliness which will transform the global perception towards our nation as a whole. The importance of Swachh Bharat Abhiyan was linked to the economy and health of the country by the prime minister by providing a source of employment to many people and reducing health costs to a large extent. From the reduction of national child death rates to providing adequate handwashing facilities, the Swachh Bharat Mission in India was aimed at sustainable and all-encompassing variables of development.

Report on
“EACH ONE PLANT ONE”

Organized by
Jagadambha College of Engineering & Technology, Yavatmal
Academic Year:-2020-21

1	Title of Activity	Each One Plant One
2	Speaker	Dr. H. M. Baradkar (Principal of Jagadambha College of Engg. & Tech.)
3	Co-Ordinator	Prof. P.S. Wankhade
4	Co-Cordinator	Prof. S.K. Wagh
5	Date of Activity	22 nd March 2021
6	Time	12.30 PM to 2.30 PM
7	Objective of Activity	To save the endangered environment and to beautify our life.
8	Venue	Civil Seminar Hall, JE, Yavatmal

Jagadambha Collge of Engineering and Technology Yavatmal NSS cell has organized “ Each one plant one ” programme in our college campus on 22 March, 2021 with a great zeal .The programme has started with our Principal Dr. H. M. Baradkar lighting the traditional lamp. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

In order to save environment, we have recently started a campaign under the caption - “Each one plant one”. Under this programme the students were explained the importance of plants and their usefulness in our daily life. The students had brought the saplings and planted the saplings in the campus garden. They marched with banners around the campus with slogan:-“EACH ONE PLANT ONE” the value of the protection of environment has known to one and all and created impact among all.

Tree plantation is significant because it is linked to our basic need for good food to eat and clean air to breathe. Aside from these necessities, they preserve biodiversity, conserve water, preserve soil, and control climate, among other things.

Electronics & Telecommunication Engineering Department
A Session Event Report

Online Certificate Course on
“Introduction to Scilab”

By Swapnil Ayane, PCCOE, Pune

Academic Year: 2020-21

Course Code: ITS_2020

Department of Electronics and Telecommunication Engineering organized a live session on **Introduction to Scilab** for students to inform the audience about the numerical computations, data analysis and plotting, system modeling and simulation, graphical user interface capabilities

1. Event Date: 02/09/2020 to 11/09/2020
2. Event Mode: Online Mode on Zoom Application
3. Name of Experts: Mr. Swapnil S. Ayane
3. Name of Event Coordinator: Prof. S. D. Kale
4. Expected Audience: Students
5. Number of Participants: 39
6. Hours per Day: 03 Hours per Day

Objectives:-

- To understand Simple numerical calculations.
- To Creating matrices and some simple matrix operations.
- To understand Working with polynomials.
- To understand plotting graphs.

Syllabus:-

1. Introduction: Scilab Environment.
2. Scilab as an interactive calculator.
3. Scilab workspace and working directory.
4. Creating matrices and some simple matrix operations
5. Sub-matrices.
6. Statistics
7. Working with polynomials
8. Plotting graphs
9. Scilab programming language
10. Script files and function files
11. Writing Scilab functions
12. File operations
13. Reading Microsoft Excel files
14. Data Structures

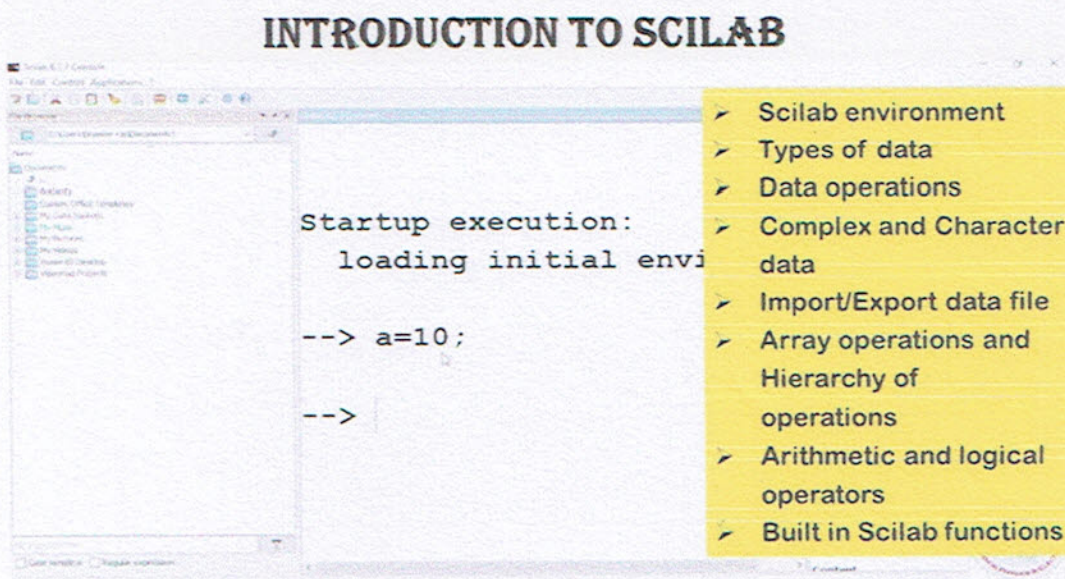

The schedule:-

Date	Time	Syllabus covered
Day 1: 02/09/2020	02.00 pm to 05.00 pm	Introduction: Scilab Environment
Day 2: 03/09/2020	02.00 pm to 05.00 pm	Scilab as an interactive calculator, Scilab workspace and working directory
Day 3: 04/09/2020	02.00 pm to 05.00 pm	Creating matrices and some simple matrix operations, Sub-matrices
Day 4: 05/09/2020	02.00 pm to 05.00 pm	Statistics, Working with polynomials
Day 5: 06/09/2020	02.00 pm to 05.00 pm	Plotting graphs
Day 6: 07/09/2020	02.00 pm to 05.00 pm	Scilab programming language
Day 7: 08/09/2020	02.00 pm to 05.00 pm	Script files and function files
Day 8: 09/09/2020	02.00 pm to 05.00 pm	Writing Scilab functions, File operations
Day 9: 10/09/2020	02.00 pm to 05.00 pm	Reading Microsoft Excel files
Day 10: 11/09/2020	02.00 pm to 05.00 pm	Data Structures
